Saturday, April 22, 2017

8:30 a.m. - 3:00 p.m.

Crowne Plaza San Diego

2270 Hotel Circle North, San Diego, CA 92108
Mission Valley

Keynote Presenters

William Mobley, MD, PhD, UC San Diego; Michael Rafii, MD, PhD, UC San Diego and USC; and Tom Montgomery, MD, consultant physician, San Diego Regional Center.

Breakout Sessions will address child and adult concerns

More than 25,000 children and adults with intellectual disabilities live in San Diego and Imperial counties. The purpose of the symposium is to educate members of this community; including their families and caregivers, about the evolving needs and challenges individuals with intellectual disabilities experience across the life span.

We will address the global concern of brain health: cognitive function, behavior, aging issues (including dementia and Alzheimer's disease), quality of life, and supportive therapies, services and resources.

Registration Fee: \$40

Regional Center clients: please check with your service coordinator to inquire about funding. (Vendor no. PQ8484)

A limited number of scholarships are available.
