## Valley Mountain Regional Center Report

By Dena Pfeifer

3/13/17

- The Self Advocacy Council 6 met this past Saturday at Valley CAPS Modesto.
- The Self Advocacy Council 6 will **NOT** be having a May 2017 Area Meeting because we have been asked to provide the Dating Game at the Statewide Self Advocacy Conference in Sacramento on May 5-6, 2017. We will also be providing an information table and two speaker sessions. The theme this year is “Self Advocacy Round-Up!”
- The next Area of Self Advocates meeting will be at Turner Park in San Andreas on Friday August 4, 2017 10am-2pm. We are working on the flyer and I will bring it when it’s done.
- The SAC6 is also working on fundraising ideas. (Handout) please use the Amazon Smile if you buy something from Amazon- this will help SAC6!
- The SAC6 is working on recruiting members from groups that do not have a representative on the SAC6.
- Dena #2 from SCDD North Valley Hills shared the flyers for the 3 VMRC Annual POS Variance Report meetings. SAC6 members are going to try to attend. They also asked that in the future the flyers be made easier to understand so people know what the meeting is called and what it is about. An Example- is to spell out **POS**- to say **P**urchase **O**f **S**ervice. They liked that the flyers were in Spanish too.
- That is the end of my report- thank you
