

CYCLE 36 GRANT CYCLE

This notice is not a guarantee of funding; the contract listed in this document is subject to the Council receiving sufficient funds from the Federal Government; and is subject to successful contract negotiations with the applicant.

| Applicant and Program Information | Goal | Funding Amount |
|--|---|----------------|
| Kidpower Teenpower Fullpower | Prevention of Abuse and Exploitation | \$7,500 |
| <p>Help people with developmental disabilities who have been victims of abuse from being victimized, and prevent others at-risk from suffering abuse in the first place, by equipping them with experiential success-based tools and skills that have demonstrated performance and effectiveness in keeping them emotionally and physically safe and reduce their risk of becoming a victim of bullying, violence, abuse, or exploitation.</p> <p>Train, coach and mentor people responsible for the care of people with disabilities such as parents, caregivers and health, education and social services program staff in how to recognize, prevent, intervene, respond to and remedy (potential) abuse; how to teach these skills on their own; and incorporate them into their family support systems, special education curriculum, or agency's standard practices, on an ongoing basis.</p> | | |
