

## CYCLE 36 GRANT CYCLE

**This notice is not a guarantee of funding; the contract listed in this document is subject to the Council receiving sufficient funds from the Federal Government; and is subject to successful contract negotiations with the applicant.**

<b>Applicant and Program Information</b>	<b>Goal</b>	<b>Funding Amount</b>
<b>North Bay Housing Coalition</b>	<b>Housing</b>	<b>\$2,500</b>
<p>Most persons with developmental disabilities cannot afford to live in a home of their choice without affordable housing options. For example, a one-bedroom rents for more than 114% of person's SSI in Napa County; 119% in Sonoma County, and 109% in Solano County. The sad reality is that many persons in our community face a housing crisis, and there is intense competition for the scarce affordable housing. We need to tell the story to our policymakers and community ...not only the compelling heart-felt stories, but with data as well.</p> <p>North Bay Housing Coalition (NBHC) will complete housing needs surveys that compiles existing data into a comprehensive report for each city/county in the catchment area. The report will be presented to policymakers to solicit their support at local, state, and federal levels for affordable housing for persons with developmental disabilities.</p> <p>NBHC proposes to collaborate with North Bay Regional Center and interns from Sonoma State University to gather existing data related to housing needs in its catchment area of Napa, Solano, and Sonoma Counties</p>
