

## CYCLE 36 GRANT CYCLE

**This notice is not a guarantee of funding; the contract listed in this document is subject to the Council receiving sufficient funds from the Federal Government; and is subject to successful contract negotiations with the applicant.**

<b>Applicant and Program Information</b>	<b>Goal</b>	<b>Funding Amount</b>
<b>PathPoint</b>	<b>Community based services and supports</b>	<b>\$10,000</b>
<p>PathPoint's Healthy Relationships Curriculum Project will use the paid peer trainer model to support the educational needs of adults with developmental disabilities regarding healthy relationships and sexuality. The human right to healthy social and sexual relationships for people with developmental disabilities has long been ignored and historically-dismissed, putting them at greater risk of being sexually abused or victimized. This project would provide self-advocates and support personnel with opportunities for the development of expertise in the areas of healthy relationships and abuse prevention, based on the healthy relationships curricula Respect Yourself and Me and You developed by the We Care A Lot Foundation.</p> <p>The Healthy Relationships Curriculum Project will culminate in the hiring of a minimum of two peer trainers and the provision of at least 28 hours of Healthy Relationships training to other adults with developmental disabilities in San Luis Obispo County by the end of the grant cycle. he foundation for ongoing training opportunities and the development of other peer trainer positions in the Tri-Counties area.</p>
