|--|---------------------------|---|
| CDAN/TTSR | \$ 10,000.00 | Alpine, Colusa, El Dorado, Nevada, Placer, Sacramento, Sierra, Yolo and Yuba |

CDAN/TTSR Area Board 3 Inclusion Project. Through a five pronged approach, proposes for the reinstatement and expansion of the statewide CDAN Townhall Telemeetings: creation of a series of new ongoing Area Board 3 regional conference calls to focus on issues important to the people with developmental disabilities and their families in the 10 counties of Area Board 3; and creation of new specific Area Board 3 regional CDAN Reports and Alerts; revision and expansion of CDAN website information specific to the 10 counties served by Area Board 3; and support to continue and expand existing statewide CDAN Reports and Alerts.

| Applicant and Program Information | Funding Amount | Counties |
|--|-----------------------|-----------------|
| | \$ 20,000.00 | Multiple |

ADEPT: Behavior Support Training for Parents/UC Davis
MIND Institute

The goal is to develop an Autism Distance Education Parent Training (ADEPT) module on “Using Positive Behavior Supports and Strategies” which will offer information that is based on sound evidence directed to parents and accessible anytime via internet or DVD and to translate the content into Spanish. The project intends to reach more than 10,000 Californians affected by ASD annually, for at least 3 years

| Applicant and Program Information | Funding Amount | County |
|--|-----------------------|-------------------|
| | \$ 5,000.00 | Sacramento |

Sacramento Asperger Self Advocacy Group

Self Advocacy Coordination Project will fund the activities of Zachary Miller, the sole proprietor of a microenterprise operating under the name: “Chapter Starter” which will support a self advocacy group called *Sacramento Asperger Self Advocacy Group*. Chapter Starter will create a supportive learning environment and assist the group in becoming self-sustaining in the community. It will facilitate growth in self-advocacy skills, self-determination, organizational skills, setting goals and doing community and program outreach leading to attitude change in the community towards individuals with Asperger and ASD.

State Council on Developmental Disabilities

Area Board IV

236 Georgia Street, Suite 201

Vallejo, CA 94590

**COMMUNITY PROGRAM DEVELOPMENTAL
GRANT APPLICATIONS/PROPOSALS
SELECTED FOR FUNDING**

CYCLE 34 (FISCAL YEAR 2011-2012)

The following agencies and programs have been selected by the California State Council on Developmental Disabilities Area Board IV to receive Community Program Development Grants.

This notice is not a guarantee of funding; all contracts listed in this document are subject to the Council receiving sufficient funds from the Federal Government; and are subject to successful contract negotiations with each applicant.

| Applicant and Program Information | Funding Amount | Counties | |
|---|-----------------------|-----------------|--|
| Travis Unified School District – Foxboro Elementary School | \$6,900.00 | Travis | |
| <p>The goal of this project is to develop a pilot project using ‘state of the art’ technology tools and instruction to help students with disabilities served by special education teachers at Foxboro Elementary to better access their core curriculum, accelerate progress toward student IEP goals, and lead them toward meeting grade level standards...the project would serve as a model for expansion to other district sites and grade levels in the future. ...For this project, we would like to utilize iPads to assist students with special needs in accessing additional modes of learning and expressing their knowledge.</p> | | | |
| Applicant and Program Information | Funding Amount | Counties | |
| “Project Step Up”, Benicia Unified School District – Community Based Instruction Program | \$3,478.00 | Benicia | |
| <p>Project Step-Up will establish relationships and MOU’s with local non-profits so our students can receive up to 10-15 hours a week of volunteer experience prior to entering programs such as Project Search and workability. Once these MOU’s are established, our own staff will provide job coaching at these sites. A Step Up Handbook will be developed so these MOU’s can be established in future with other local non-profits.</p> | | | |

| | | | |
|--|-----------------------|-----------------|--|
| Applicant and Program Information | Funding Amount | Counties | |
| Celebrating Community-Building Capacity, Easter Seals Northern California | \$8,000.00 | Multiple | |
| Through partnership with Becoming Independent, we will coordinate fun, weekly outreach playgroups for children (as inclusive respite care) while at the same time facilitating capacity building and systemic change model stewardship for parents, caregivers, and fellow community members (parent to parent mentorship support, development of an intern corps, advocacy trainings, public policy education.) Funds requested would fund professional development of high level interns...as well as supplies for the respite care rooms and educational resource literature. | | | |
| Applicant and Program Information | Funding Amount | Counties | |
| The Alchemia Theater for Life Touring Company” Alchemia | \$8,311.00 | | |
| The Alchemia Theater for Life Ensemble creates original, relevant public performances by and for audiences with special needs. This project will create an Alchemia touring company that has the capacity to take these inspirational and educational experiences to a much broader audience of consumers and families. The road company’s debut performance will be “The Adventures of PIN PIN”, a theatrical production that shares the story of living with different abilities....The production...will bring greater visibility and public attention to the critical issue of bullying that so threatens our community....These grant funds will enable us to put the needed infrastructure and tools in place for the touring company. | | | |
| Applicant and Program Information | Funding Amount | Counties | |
| CATS Community Outreach Strategy & Action Plan”, Collaborative Autism Training and Support (CATS) Program/California Parenting Institute | \$8,311,00 | | |
| Building on the thousands of volunteer hours contributed annually to sustain CATS, the proposed capacity-building project will result in a community outreach strategic and action plan that will develop (a) an infrastructure and capacity-building agenda, (b) specific community collaboration and outreach income generating projects, and (c) a long-term systemic donor-driven outreach and fund-raising campaign. The Plan goal is to increase and diversify revenue streams, critical resources and partnerships in order to meet the growing demand for family support services to children with autism and their families. | | | |

Area Board VIII

770 East Shaw Avenue, Suite 123

Fresno, CA 93710

**COMMUNITY PROGRAM DEVELOPMENTAL
GRANT APPLICATIONS/PROPOSALS
SELECTED FOR FUNDING**

CYCLE 34 (FISCAL YEAR 2011-2012)

The following agencies and programs have been selected by the California State Council on Developmental Disabilities Area Board VIII to receive Community Program Development Grants.

This notice is not a guarantee of funding; all contracts listed in this document are subject to the Council receiving sufficient funds from the Federal Government; and are subject to successful contract negotiations with each applicant.

| Applicant and Program Information | Funding Amount | Counties | |
|--|-----------------------|-----------------------------------|--|
| H.E.A.R.T.S. Connection Parent Faculty Program | \$8,600.00 | Kern | |
| This program will provide training for parent volunteers in order to increase the number of people who are qualified to attend IEP meetings, make in-take calls, provide parent to parent support, make referrals to other organizations such as CCS, Regional Centers, discuss program options with parents and discuss health care options. The impact of this program will be that more families will receive support and feel empowered to advocate for their family member who has a developmental disability in Kern County. | | | |
| Applicant and Program Information | Funding Amount | Counties | |
| Deaf and Hard of Hearing Service Center, Inc. Youth Empowerment Services (YES!) | \$4,500.00 | Fresno, Merced, Tulare | |
| The Youth Empowerment Services (YES!) project will focus on preparing Deaf and Hard of Hearing teens for eventually joining the workforce. Staff will provide one-on-one and group sessions with these teens to provide them with a jumpstart on planning their employment future and goals. We will cover a variety of topics geared toward a successful transition from K-12 school to independence. | | | |

| Applicant and Program Information | Funding Amount | Counties | |
|---|-----------------------|-----------------|--|
| Celebration de Familias Excepcionales Center Community Literacy Training for Exceptional Families | \$17,900.00 | Kern | |
| <p>One of our goals is to create a computer lab training center. Underserved families and clients with developmental disabilities have requested the need to become computer literate. In our research, not surprisingly, we have discovered a huge computer literacy gap...Access to computers will promote equality and opportunity to be on the same level as others in the community...The various on-line application process introduces our families on how computers can be used to enhance the quality of life.</p> | | | |
| Applicant and Program Information | Funding Amount | Counties | |
| Heartland Opportunity Center Heartland Gardening Project | \$4,000.00 | Madera | |
| <p>Heartland's gardening project is designed to give hands-on training in gardening to adults with developmental disabilities in a day program setting. Participants will research, plan, shop for, plant and maintain a garden. Adjunct activities will include garden-related crafts, cooking classes using items grown, flower arranging, and volunteer work in Madera's Community Garden. This project will provide learning opportunities, skills development and socialization in a natural environment.</p> | | | |

This notice is not a guarantee of funding; all contracts listed in this document are subject to the Council receiving sufficient funds from the Federal Government; and are subject to successful contract negotiations with each applicant.

| Applicant and Program Information | Funding Amount | Counties |
|-----------------------------------|--------------------|--|
| Get Safe | \$15,000.00 | San Luis Obispo, Ventura, and Santa Barbara |

Get Safe is an organization specializing in the development and instruction of workshops in personal safety, sexual assault prevention, survivor recovery, perpetrator rehabilitation, self-defense, and violence prevention. *Get Safe* will provide training seminars for consumers, families/caregivers and service providers/community professionals that will teach them how to identify, respond, and deescalate potentially dangerous and criminal behavior, thereby reducing recidivism rates and adding to the overall safety of the community. *Get Safe* training provides an atmosphere and overall experience that is the very definition of self-advocacy, delivered in a manner that is engaging and entertaining and has been described as a “best-practices model” by the California Department of Education.

| Applicant and Program Information | Funding Amount | Counties | |
|---|--------------------|------------------------|--|
| UCP – SLO | \$15,000.00 | San Luis Obispo | |
| <p>In 2010, a group of parents of individuals with special needs, concerned about the need for more new and innovative program choices for the adult population and students transitioning from schools to adult programs, joined together to form an organization they named <i>The Ranch</i>. The mission of <i>The Ranch</i> is to develop a collaborative community venue to empower people with special needs by providing opportunities for inclusive training and employment in agricultural, recreational, therapeutic and related enterprises where individuals can explore their passions, demonstrate their abilities, and showcase their talents, affirming the dignity of all.</p> | | | |
| Applicant and Program Information | Funding Amount | Counties | |
| Friendship Club/Moorpark First 5/Boys and Girls Club/Simi Valley Neighborhood for Learning | \$5,000.00 | Ventura | |
| <p>Friendship Club is a free monthly social skills program for children (ages 3 to 12) with special needs, and their parents, that creates a supportive social environment where children communicate and interact successfully with trained volunteers. Children are paired with a teenage “friend” and together they enjoy art, play games, participate in group activities, read stories and most of all have fun. Teen volunteers gain community services hours, experience interacting with young children and a rewarding time helping kids who really need a friend.</p> | | | |
