

GGRC SELF-DETERMINATION ADVISORY COMMITTEE – 8/26/15

Present: Peter, Jennifer, Elizabeth, Connie, Lili, Gabriel, Roya, Lisa, Katie S., Janeine Golson

The group reviewed the SD Waiver submitted by DDS to CMS.

Concern that regional center will have more responsibility and may not be able to do this with the current allocation/staffing.

Request: All materials are sent to committee members in advance electronically so that all can be equal participants.

Person-centered thinking and the goal/use of the IPP was discussed. The IPP needs to reflect real life and who the individual is as a person.

The group discussed the CMS final rule and how does it apply to the Self-Determination Waiver.

The State Council will be doing training for DC residents on how they might use SD when they move from the DC.

The committee will need to work diligently to determine how best to reach out to all people served by RC to attend the orientation session as this is required for program participation.

Committee members submitted questions about the Waiver (see attached) and discussed/answered each one.

Next meeting will be Wednesday, September 23rd, from 1:00 – 3:00 p.m. at GGRC, 1355 Market Street, Suite 220. The agenda and meeting notice will be posted on the GGRC website to satisfy the public meeting requirements.
