

CIE Related Activities from SCDD Regional Offices 10/1/17 – 4/30/18

The SCDD State Plan Goal #2: **Goal 2 (Employment): Californians with I/DD and their families reflecting the diversity of the state will have increased information to obtain competitive, integrated employment.**

From October 1, 2017 to April 30, 2018, the Regional Offices of the SCDD:

- Provided 26 Trainings on CIE reaching 965 folks
- Hosted 6 regional CIE-related events reaching 2,043 employers, providers and/or stakeholders
- Participated in 14 meeting of the Workforce Development Boards involving 340 folks
- Reached 66,622 folks through 99 e-blasts
- Reached 7,874 folks through 24 hardcopy distributions
- Hosted 13 employment/paid internship/workability for a total of 21 folks
- Provided 108 technical assistance interactions to 344 folks

Ongoing work:

- Development/Update of training and resources lists for CIE
- Updating of Data Dashboard
- Updating Plain Language materials and any necessary translations re: CIE
- Offices will be conducting the Portrait of Services Assessment (POSA) for the State Plan with their Regional Advisory Committees (RACs) and staff between now and July 31, 2017. The POSA identifies what the community currently looks like and barriers by objective as well as proposed types of activities for the next two years to build the WorkPlan portion of the SCDD State Plan.

We also estimate that the data sharing bill (SB 433/AB 1696) between DDS and EDD will also impact 275,351 self-advocates and 110,140 family-advocates.
