SB 1274	McGuire (D)	<p>Current law generally prohibits county welfare departments and the State Department of Social Services from disclosing records and information concerning the administration of public social services for which grants-in-aid are received from the United States government, such as CalWORKs and CalFresh, and requires that those records and information be kept confidential, except as prescribed. Current law establishes the Employment First Policy, which is the policy that opportunities for integrated, competitive employment be given the highest priority for working-age individuals with developmental disabilities, regardless of the severity of their disabilities. This bill would, notwithstanding the general prohibition above, require the State Department of Social Services to disclose eligibility and enrollment data for the CalWORKs and CalFresh programs to the State Department of Developmental Services to assist that department in the implementation of the Employment First Policy, as specified, to the extent permitted under federal law and regulations.</p>	Council Sponsored	<p>Passed Senate. Scheduled for Hearing on 6/12/18 in A-HUMAN SERVICES 1:30 p.m. - State Capitol, Room 437</p>
AB 2253	Irwin (D)	<p>Current law requires that an ABLE account only be established for a designated beneficiary who is a resident of the United States, and that the board market the program to residents of the United States to the extent funds are available. Current law also provides that moneys in, contributions to, and any distribution for qualified disability expenses from, an ABLE account, not to exceed \$100,000, do not count toward determining eligibility for a state or local means-tested program. This bill would repeal the \$100,000 limitation on moneys in, contributions to, and distributions for qualified disability expenses from, an ABLE account, for purposes of determining eligibility for a state or local means-tested program.</p>	Council Support	Dead
