PROGRAM DEVELOPMENT GRANT RECOMMENDATIONS

Total Dollar Amount of Proposal:	\$ 28,435.00	SCDD Funds: \$20,000.00
Applicant Number:	OR2	Regional Office: Orange
Goal Area Proposed:	Goal 1: Self- Advocacy	
Number of People Served :	Minimum: 50 parents, 100 district staff and leadership, 30 Self-Advocates	
Proposal Narrative:	<p>This program is an umbrella for three programs that are designed to provide education and training opportunities, resource coordination, and support to individuals with I/DD, their families, educators, therapists, and the community at large to ensure individuals with disabilities have access to education, recreation, employment and community integration in the least restrictive environment possible. This wrap-around approach will increase the opportunity for individuals with I/DD to achieve self-determination, integration, and inclusion in all areas of community life through access to information, training and support for all stake holders.</p> <p>This program will improve best practices designed at empowering parents by providing them with the education, support and resource coordination necessary for them to be effective and equal partners on their child's IEP team making decisions that will ultimately determine their child's development and level of independence and integration as an adult.</p> <p>This program is seeking funding to support a part-time paid position for a coordinator, who will be an individual who has a disability themselves. The coordinator will support a minimum of 10 adults with disabilities who have faced a barrier in accessing an activity that would have been commonly available to a neuro-typical peer. In seeking support they will be supported in identifying possible solutions and assisted with the coordinating of resources, support and/or training necessary to overcome the barrier. The coordinator additionally will be reaching out to a minimum of 30 self-advocates in order to increase awareness, offer resource support and help develop sustaining collaborative relationships.</p>	

PROGRAM DEVELOPMENT GRANT RECOMMENDATIONS

<p>Proposal Outcome/Output:</p>	<p>The project will successfully facilitate the stated objectives and outcomes that will ultimately affect the self determination of our individuals with I/DD and their family members.</p>
<p>Output Measures:</p>	<p>IFA 1.1 - The number of people with developmental disabilities who participated in Council supported activities designed to increase their knowledge of how to take part in decisions that affect their lives, the lives of others, and/or systems.</p> <p>IFA 1.2 - The number of family members who participated in Council supported in activities designed to increase their knowledge of how to take part in decisions that affect the family, the lives of others, and/or systems.</p> <p>IFA 2.1 - After participation in Council supported activities, the percent of people with developmental disabilities who report increasing their advocacy as a result of Council work.</p> <p>IFA 2.2 - After participation in Council supported activities, the percent of family members who report increasing their advocacy as a result of Council work.</p>
<p>Sub-outcome measures:</p>	<p>IFA 2.2.1 - The percent of people who are better able to say what they want or say what services and supports they want or say what is important to them.</p> <p>IFA 3.1 - The percent of people with developmental disabilities satisfied with a project activity.</p> <p>SC 1.1.1- The number of policy, procedure, statute, or regulation changes improved as a result of systems change.</p>

PROGRAM DEVELOPMENT GRANT RECOMMENDATIONS

Total Dollar Amount of Proposal:	\$23,805.00	SCDD Funds: \$17,853.00
Applicant Number:	SB2	Regional Office: San Bernardino
Goal Area Proposed:	Goal 3: Housing	
Number of People Served :	Minimum of 200 total people served	
Proposal Narrative:	<p>This project will address Goal 3 of the State Plan by concentrating efforts on Objective 3.2 and effect individuals with Intellectual and Developmental Disabilities (I/DD) from an outreach pool of more than 200 individuals, family members, and landlords. The three-pronged approach to implementation includes:</p> <p>1) Educating individuals and their families on the process of self-advocacy and procuring affordable housing; 2) Educating landlords in the benefits of renting to individuals with I/DD and, assisting landlords as they rent to individuals with I/DD; 3) Providing individuals with I/DD with housing options that may include renting a room in a house or selecting a roommate of their choosing. Methodologies used are based on promising evidence and proven best-practices.</p>
