4. Approval of Minutes from Previous Meeting
5. Self Determination video by Mains'l. We watched this video at our last meeting and asked for some small changes. The changes have been made. This video is unique in that it addresses hidden dreams that people may have and how even the most "unrealistic" dreams can come true.
6. Update on recent statewide activities by Ronda Dever and Sarah May. The summer was very active on the self determination front. Notes on meetings are attached. Timelines have been created which we will review.
7. **The Liberty Plan!** The Liberty Plan was developed by Beth Gallagher and Kirk Hinkleman as a way to cultivate possibilities in life that matter to you now.

It is a chance to celebrate you, reflect on what you want to accomplish, and listen for what more you want to explore. Julie Jones and Jennifer Campbell will demonstrate how a Liberty Plan works. We are trying to find a volunteer and then we will have a very interesting time.

8. Proposed Orientation. A draft of the proposed orientation was presented, which is enclosed. After review and discussion between Ronda Dever, Laura Larson, and Sarah May we have taken the liberty of adapting the orientation to better meet our regional needs. A draft outline is included in this packet which we hope to discuss at our next meeting.
9. Status of Independent Facilitator Certification. Melissa will share dates for upcoming Person Centered Planning Training.
