

INVITATION FOR BID

SCDDRT19

Real Time Captioning Services and/or Remote Captioning Services

Notice to Bidders

***Awarded Agency: QuickCaption, Inc.**

QuickCaption is a nationally known, full service captioning and CART company, which has been providing outstanding quality services to its clients and the deaf and hard of hearing communities for 20 years. It is one of very few nationwide full service captioning agencies to have provided such services for ten or more years. QuickCaption's full service includes real-time, off-line and post-production captioning. QuickCaption is an approved captioning vendor for the Described and Captioning Media Program (DCMP). Funded by the United States Department of Education, the DCMP evaluates and certifies captioning companies on a national level. QuickCaption is one of only a small number of captioning companies nationwide who meets the strict requirements of this program.
