6. CYCLE 42 GRANTS

Committee Chair, Kilolo Brodie and Deputy Director, Vicki Smith presented the Cycle 42 Grant Scoring Team's recommendations to the Committee for consideration and recommendation to the full Council. The below table lists the two (2) application numbers being recommended for funding, the amount being recommended, the goal area in which the proposal focuses on, and a brief summary of the.

Location	Goal Area/Project Summary	Applicant	Amount
Statewide	Goal 2 – Employment This project will create videos and other digital tools to provide access to information, training and support to achieve the goal of CIE on a statewide basis and in a common media. The goal is to provide easy access to information that informs and empowers our future workforce. These tools will inspire, training and support youth to achieve CIE.	CY4208	\$255,348.00
Statewide	Goal 6 – Formal & Informal Community Support This project proposes to identify key service-level outcomes that can be measured to promote high-quality service delivery. This project will also identify the training needs and develop an outcomes-based training plan outline specific to supporting DSP's to meet identified outcomes. To tie these components of outcomes to DSP training, they also propose developing a plan for how data can be collected, analyzed and reported to measure the impact of outcomes-based training on service and individual outcomes. While this project does not seek to develop the training curriculum for DSPs or the actual data collection modules, it is a critical step in developing an outcomes-based approach in California through a collaborative stakeholder process.	CY4220	\$155,327.00

Following the discussion on the above recommended applicants, the Committee discussed possible ways to use the \$39,325 in remaining grant funds. Members stated that they would like a larger pool of applicants to apply for future funding opportunities, including more self and family-advocates and agreed that grant writing training would be beneficial to the community.

It was moved/seconded (Pegos [FA]/Aldana [SA]) and carried recommend adoption of the scoring teams recommendation to award funding to applicant CY4208 in the amount of \$255,348 and CY4220 in the amount of \$155,327. The Committee is further recommending that the remaining \$39,325 be used to provide outreach and grant writing training for future grants. (Unanimous – see page one for a list of voting members.)

7. 2022-26 STATE PLAN

Deputy Director Vicki Smith presented Committee members with staff's 2022-26 State Plan timeline. The timeline provided the steps needed to ensure the development of a robust 2022-26 State Plan.

Committee members then reviewed and provided input on the 2022-26 State Plan Draft Survey questions. The following input was received.

- Page one, question one (1), change self-advocate to person with intellectual and developmental disability.
- Page three, question eight (8), change to read City/Town
- Page three, question ten (10), enable multiple check boxes to be selected.
- Add questions requesting survey participant's ethnicity and gender.

It was moved/seconded (Pegos[FA]/Aldana [SA]) and carried to make the above revisions before sending the 2022-26 State Plan Draft Survey the Self-Advocate Advisory Committee for review. (Unanimous – see page one for a list of voting members.)

INTRODUCTION

The California State Council on Developmental Disabilities (SCDD) administers Program Development Grants (PDG) to community-based organizations to fund new and innovative projects. All projects are required to address one or more of the goals and/or objectives in the California State Plan (State Plan) and improve and enhance services for Californians with intellectual/developmental disabilities (I/DD) and their families. Program Development Grants provide funding for new and/or innovative approaches to addressing the needs of Californians with I/DD that are part of an overall strategy for systemic change.

Pursuant to the Developmental Disabilities Assistance and Bill of Rights Act (Public Law 106-402), SCDD has allocated a total of \$260,000.00 for one or more projects serving California to be awarded in Cycle 43. Projects for Cycle 43 must have statewide impact.

Federal and State Law

The SCDD is a California state agency established by federal and state law. Pursuant to the Developmental Disabilities Assistance and Bill of Rights Act of 2000 (Public Law 106-402), SCDD is to develop and implement a State Plan to support advocacy, capacity-building, and systemic change activities that are consistent with promoting a consumer and family-based system of services and supports. The goal of the federal law is to enable individuals with I/DD to achieve self-determination, independence, productivity, and community integration and inclusion.

The Lanterman Developmental Disabilities Services Act (Welfare and Institutions Code §4540 et seq.) directs SCDD to conduct activities related to meeting the objectives of the State Plan, including activities to demonstrate new approaches to serving individuals with I/DD and their families that are part of an overall strategy for systemic change.

Program Development Grant

The Program Development Grant (PDG) is one vehicle used by the Council to meet its obligations under the State Plan. PDG projects are the primary method of providing resources to initiate new and/or innovative projects for Californians with I/DD and their families.

Cycle 43 PDG's are awarded on a federal fiscal year cycle (October 1, 2020 – September 30, 2021), consistent with the goals and objectives outlined in the 2017 - 2021 SCDD State Plan. While the grants provide initial funding for projects to create or expand services, awardees are expected to secure ongoing funding for sustainability of the work.

Grants awarded through this Request for Proposal (RFP) will be administered through the Council's headquarters office. During the RFP process, the Council is to: (1) ensure that all proposals are fairly and consistently reviewed and evaluated; (2) monitor compliance with state and federal laws and policies; and (3) recommend awarding grants to the highest ranked proposal(s), based on available funding and the criteria outlined in this RFP.

THE SCDD STATE PLAN (STATE PLAN)

The State Plan defines critical, current, and emerging issues facing Californians with I/DD and their families. The State Plan is developed with extensive community input from stakeholders throughout California. The State Plan also provides information to the federal Administration on Intellectual and Developmental Disabilities (AIDD) on how the Council will invest its resources. The 2017 - 2021 State Plan can be accessed on the SCDD website: <https://scdd.ca.gov>.

Documentation of Proposer's Governing Board Approval (if required)

- Should a proposal require formal "Governing Board Approval", proof of such approval must be submitted along with the proposal.

PROGRAM EVALUATION AND SELECTION PROCESS

Phase 1 – Administrative Review

Proposals will be reviewed and evaluated for timeliness and completeness of RFP specifications. In this review stage, reviewers will compare the contents of each proposal to the Required Documents Checklist and ensure that the minimum qualifications are met. Proposals that do not contain all the required items listed on the Required Documents Checklist will be rejected.

Phase 2 – Evaluation Panel

The Scoring Panel, established by the SCDD Executive Director, will review and score the proposals in accordance with the RFP scoring criteria. The Scoring Panel members are qualified individuals within the State Council on Developmental Disabilities who have knowledge and/or experience in services related to the SCDD Program Development Grant process.

Overall Proposal Evaluation

Each eligible proposal will be scored as follows. A maximum of 100 points may be awarded by each member of the review team.

CRITERIA FOR PROPOSAL EVALUATION: Proposals should address each point below.

I. STATE PLAN (36 points maximum):

- A. The degree to which the proposal advances the State Plan's Goal(s) and/or Objective(s). 0-12 points
- B. Measurable outcomes are clearly identified and specifically address the State Plan Goals(s) and/or Objectives as identified by this proposal. 0-12 points
- C. The degree to which the proposal addresses systemic change, information dissemination, and sustainability related to the State Plan Goal(s) and/or Objectives as identified by this proposal. 0-12 points

II. METHODOLOGY (34 points maximum):

- A. The proposal uses a sound methodology for achieving the stated outcomes statewide. 0-7 points.
- B. The target audience(s) is clearly delineated and is appropriate to the proposal. 0-6 points.
- C. The proposal outlines how it will address/impact underserved communities and cultural diversity. 0-7 points
- D. The proposal describes the types of deliverables to be provided. 0-7 points

- E. The proposal describes a sound programmatic procedure (with data collection, assessment and analysis) as part of its bi-monthly reporting process. 0-7 points

III. ADMINISTRATION (30 points maximum):

- A. The proposed budget is appropriate for accomplishing the identified objectives and contains all elements for the proposed project that are required by this RFP. 0-10 points
- B. The Proposer has demonstrated experience, knowledge, and potential to accomplish what is being proposed. 0-10 points
- C. The proposal supports/promotes new and/or innovative approaches to service delivery. 0-10 points

A minimum score of seventy-five percent (75%) in each of the three (3) Criteria Areas (State Plan, Methodology, Administration) is required to be considered for an award of a grant contract

Rounding of Decimal Point Scores: Decimal point scores shall be rounded up to the nearest whole number. (For example: 20.54 will be 21).

Tiebreaker: In the event there is a tie, the Scoring Panel will break the tie by awarding the contract to the proposal with the highest score in the State Plan category. If scores in that category are the same, the tie will be broken by the highest score in the Methodology category. If those scores are the same the tie will be broken by the highest score in the Administration category.

ALLOWABLE AND NON-ALLOWABLE PDG GRANT COSTS

The purpose of the PDG program is to provide resources necessary to initiate new services/supports that are creative, needed, and innovative for people with I/DD and their families. These funds may not be used to purchase goods or services, for which another funding source is available, or to supplant existing funding. Proposal budgets should include all necessary expenses for the Proposer to complete the project.

Each line item in the budget will be reviewed to determine whether it is allowable and reasonable. The Council reserves the right to request a revised budget.

The Federal Office of Management and Budget (OMB) has established uniform administrative requirements and cost principles for determining allowable costs chargeable to Federal awards. The Contractor agrees to abide by Title 2 of the Code of Federal Regulations, Part 200 (2 C.F.R. 200 et seq.), except where this Agreement is more restrictive. The federal regulations are available for review on the Internet at www.ecfr.gov under "Title 2-Grants and Agreements."

The following list contains some examples of allowable and non-allowable PDG contract expenditures:

1. Funds cannot be used to purchase real property.
2. Funds cannot be used to purchase childcare vouchers.
3. Funds may be used to modify facilities to meet fire and life safety requirements of the fire marshal and/or the licensing agency. The Proposer will be required to submit three bids for any facility
4. Rent for an office and/or facility is a reimbursable expense, as long as staff funded through the grant is working at or from the office/facility. The rent should not exceed the rental rates for an equivalent size facility in the geographical area.
5. Equipment may be leased; however, it may not be leased with an option to purchase. The contractor shall provide SCDD with copies of agreements for equipment leased during the contract period.
6. The following are examples of equipment that may not be purchased or purchased only with prior approval:
 - a. Motor vehicles may not be purchased.
 - b. Computers may only be purchased with prior approval from the SCDD.
 - c. Copy machines may not be purchased. However, they may be leased during the contract period.
 - d. Any equipment item that is attached to a facility or vehicle, which cannot be removed in usable condition from the facility or vehicle.
7. Funds cannot be used for modifications that are solely aesthetic in nature or are not necessary to meet fire and life safety requirements.
8. Any reimbursement for necessary travel expenses and per diem shall be at rates set in accordance with allowable state guidelines and per diem and mileage rates. Travel outside the State of California shall not be reimbursed. (Travel outside the SCDD's catchment area must be pre-approved by the SCDD, if reimbursement is requested).
9. Funds shall not be used to purchase food for participants at PDG-sponsored conferences, trainings, seminars, or workshops.
10. Costs related to disseminating information about project outcomes can only be included in the funding request if this expense is to be incurred during the term of the contract period.
11. No staff person can be committed to more than 100% of that person's time. SCDD reserves the right to verify and determine reasonableness of staff time committed to other jobs/projects.
12. Funds may be used to secure insurance coverage to assure that, prior to the contract approval, Contractor, other than a self-insured public entity, can furnish to the SCDD a Certificate(s) of Insurance stating that there is liability insurance presently in effect covering all of Contractor's activities under this contract, as appropriate, of not less than \$500,000 per occurrence.

As a general rule, it can be assumed that equipment with a value under \$500 will be amortized and no longer property of the State after three years. For purposes of PDG,

equipment item costs must be considered in terms of the end usable product, e.g., a bed is considered the sum of the cost of the mattress, box springs, and frame. Proposers should contact the SCDD concerning items over \$500. All equipment will be inventoried and be issued a state identification tag identifying each as the property of the State until it is released by the State.

PDG grants may not include indirect costs that exceed 10% of the grant total, as defined below:

Direct costs are those that are specifically spent to carry out the grant, such as compensation of employees for the time devoted and identified specifically to the performance of the grant; cost of materials acquired, consumed, or expended specifically for the purpose of the grant; and travel expenses incurred specifically to carry out the grant contract.

Indirect costs are items associated with general infrastructure support, such as general administration, facilities, equipment, operations, office supplies, and maintenance.

FUNDING OF PROJECTS

Funding of projects is contingent on availability of federal funds and approval by the Council. After the announcement of a grant award, changes in the level of federal allocation to California could result in the reduction of funds or withdrawal of some or all funded proposals.

The Council assumes no responsibility for costs incurred by the Proposer for the development or submission of a proposal.

The Council may reduce the level of funding requested in a proposal. If the requested amount proposed will be reduced, the Proposer(s) will be asked if they want to proceed with the process. If the Proposer wishes to proceed, submission of a revised budget will be required with the revised funding request.

Successful Proposers will submit all invoices in arrears. Proposers must be financially capable of supporting the project until such time as invoices are submitted and reimbursement is received.

Successful Proposers must complete bi-monthly (every other month) reporting and invoice packets which must contain receipts for each expense/line item claimed, which includes but is not limited to: records of salaries paid, travel, conference fees, and hotel accommodations, as well as proof of overhead costs and indirect expenses. Reimbursement of expenses will only be made for expenses associated with a line item of the approved budget and which have the proper supporting documentation.

Successful Proposers shall request in writing to SCDD all proposed transfers between individual line items and additions or deletions of line items. Such requests shall contain an explanation of the need for the change, identification of the line items to be changed, and a revised Budget. Any changes cannot be made prior to SCDD's written approval. SCDD reserves the right to deny any request for line item transfers, additions or deletions. The Contractor understands that in no event shall the maximum amount payable exceed the maximum amount specified in this contract.

Once the program element of the contract is approved by the SCDD, any budget change request that would change the program element will not be approved.

NOTICE OF INTENT TO AWARD CONTRACTS AND PROTESTS

SCDD staff scoring and recommendations for grant awards will be presented to the State Plan Committee (SPC) for consideration at its June 2020 meeting.
