6. **CHAIR REPORT AND 2020 COMMITTEE GOALS**

Committee Chair Jeana Eriksen updated the committee on her activity since the September SAAC meeting. She is a part of a local coalition that provides support to people who transitioned out of the Sonoma Developmental Center. The Coalition is a good example of collaborative efforts of different resources coming together to meet the needs of a community.

Eriksen reminded the committee about the Committee’s focus areas, of access to Health and Safety, access to housing and access to education. Eriksen would like to focus on one topic per meeting and have members report on barriers in their area related to each goal.

7. **REVIEW OF STATE PLAN GOAL 6.1 DELIVERABLES**

Vicki Smith, SCDD Manager, Strategic Initiatives, reviewed State Plan Goal 6.1 deliverables with the committee and requested feedback regarding the plain language of the materials. The Committee provided feedback on the wording of the DRAFT Portrait of Services Descriptions Preamble and the DRAFT Portrait of Services Service Codes.

Committee members suggested that the Preamble be reworded to reflect focus on the individual receiving services and focus on the fact that the individual receiving services has a choice in the process. The committee also recommended removing reference to an individual being nonverbal, as it is important for all clients to have a good communication system with their team.
8. REVIEW OF HCBS ASSESSMENT – CONSUMER INVOLVEMENT

Jennifer Parsons and Susan Crow from the Department of Developmental Services provided the committee with a handout on the 2022 HCBS Final Rule Information and requested feedback from the committee about the language and terminology usability of the document.
