A Festival of Learning and Ideas

Please join us as we learn about the lives of people who are working, contributing, and demonstrating good citizenship and valued lives.

Monday, August 10, 2020

4:00 p.m. – 5:30 p.m.

The Festival of Ideas on June 8th talked about valued experiences and accomplishments that include autonomy, competency, valued social roles, community presence, and community participation. The question was posed “***What more is possible?***”

Attend this Zoom meeting to hear from people who will share “***the possible***”. Learn what genuine Person Driven Planning and creative approaches can lead to. Various presenters will share their unique stories, as will the people who support them.
