Voting Hotline: 1-888-569-7955

[Fred.Nisen@disabilityrightscalifornia.org](mailto:Fred.Nisen@disabilityrightscalifornia.org)

# **Why Should You Vote?**

- Participate in democracy!

# **Who Can Register to Vote?**

- A U.S. citizen;
- California resident;

and
- Has not had their voting rights revoked by a Court.

Dept. of Motor Vehicles

## Other Places to Register:

- Your local County Elections office.
- Your local County Elections website.
- Independent Living Centers.

# Can a person under Conservatorship register to Vote?

- **YES!!!** Being under a conservatorship does not disqualify a person from voting, **unless** the judge took away their voting rights.
- A recent state law allows that a judge cannot remove a person with a conservator's voting rights **unless** there is strong evidence that the person cannot communicate their desire to participate in the process, even with assistance.
- If you have a conservator and had your voting rights removed, but you want to vote, send a letter to the Probate Court in your county or tell the court investigator during the next annual review.
- See the toolkit on DRC's website at <https://www.disabilityrightscalifornia.org/publications/your-voting-rights-under-conservatorship-sb-589>. The toolkit has a sample letter to the Probate Court and a list of addresses for the Probate Court in each county.

# What is the Voter's Choice Act (VCA)?

---

- The VCA is a state law passed in 2016 that allows counties to conduct vote-by-mail elections if they can meet certain requirements.
- In these “VCA counties,” **all registered voters are sent a vote-by-mail ballot a month before the election.**
- Instead of address-based polling places (1:1,000 voters), VCA counties use fewer **vote centers** (1:10,000 voters) for in-person voting and **ballot drop-off locations** for vote-by-mail ballots.
- Vote centers and ballot drop-off locations **must be accessible**, and vote centers must have **three (3) accessible voting systems**.

# **Voting in the November Under COVID-19**

- Election Day is NOVEMBER 3, 2020
- The Registrar of Voters will begin mailing all registered voters a Vote-by-Mail Ballot on October 5 (or 29 days before Election Day, November 3).
- Remote Accessible Vote-by-Mail (RAVBM) will be available to all voters (download the ballot, complete on a computer, then print and return it).
  - See DRC's publication at <https://www.disabilityrightsca.org/publications/many-voters-with-disabilities-can-vote-by-mail-privately-and-independently>
  - See DRC's RAVBM demonstration video at <https://www.youtube.com/watch?v=54-Xbg5Nbg4&t=8s>

# Returning a Completed Ballot

- Place the complete Vote-by-Mail or RAVBM ballot in the postage-paid return envelope that will be with the mailed ballot
- **Don't forget to sign the return envelope.**
- Has your signature changed since you last registered to vote?
  - If yes, you should fill out a new Voter Registration Card and send it to the Registrar of Voters' office by October 19, 2020
- Are you unable to sign your name?
  - You can make a mark, such as "X," so long a witness signs too.
  - You can also use a signature stamp, as long as you have used at the DMV or at the Registrar of Voters' office.
  - See DRC's publication at <https://www.disabilityrightsca.org/publications/you-can-vote-even-if-you-cant-sign-your-name>

# Return a Completed ballot (Cont.)

- 3 ways to return the envelope with the ballot
  - Mail: Voters are encouraged to vote early. Mail back ballots by October 27, to be sure that it is postmarked by November 3, 2020 at 8pm.
  - Dropbox: You can put it in any of the ballot dropboxes in the county. Contact the Registrar of Voters' office for locations.
  - Voting Locations: You can drop the signed envelope with your ballot in it off at any voting location in the County.

# **In-Person Voting During COVID-19**

- Traditional Polling Place: one polling place per 1,000 registered voters
- VCA: 15 counties have adopted the VCA model, as previously discussed
- Super Consolidated Polling Places: one polling place per 10,000 registered voters (two forms):
  - Voters are assigned a particular polling place; and
  - Voters can vote at any polling place in the county (also called either VCA-like or hybrid)
- Three rural counties have small enough populations that they can hold elections entirely by mail

# **Which option for in-person voting will each of the five Bay Area counties use:**

- Traditional Polling Place: San Francisco and Contra Costa
- VCA: San Mateo
- Super Consolidated Polling Place-Assigned: Marin
- Super Consolidated Polling Place- VCA-like or hybrid: Alameda
