

2022-26 SPC: State Plan Development

Draft: Goal/Objective Language (Revised 8.26.20)

Goal 1 The Council will partner with and empower more people with intellectual/developmental disabilities and their families, so they know their rights and can advocate and receive supports and services

Objective 1

The Council will provide (staff-led, peer-led and/or collaborative) training to 60,000 people (self-advocates/family advocates/others) throughout the state – virtual and/or in person - and provide technical assistance/advocacy clinics, reaching 50,000 people with assistance and resources to identify and obtain the supports and services that will help people with intellectual/developmental disabilities live a safer and healthier life

Objective 2

The Council will engage in 100 projects and events in the areas of employment, education, housing, health/safety, and emerging issues reaching 25,000 people (self-advocates/family advocates/others) with information and resources to enhance their knowledge and increase their capacity to obtain supports and services that are important to them

Objective 3: Underserved Population Project (Required)

To be discussed at the September 2nd meeting

Goal 2 The Council will lead in partnership with family/self-advocates and others to protect and enhance civil rights and improve community-based systems to be more fully inclusive and supportive of people with intellectual/developmental disabilities and their families

Objective 1

The Council will develop, improve and/or change 30 practices, 15 policies, 10 regulations (or guidance) and/or laws in the systems of regional centers, community-based services, and governmental entities. This work will include the areas of employment, education, housing, and health/safety in ways that will benefit people with intellectual/developmental disabilities and protect their civil rights, promote full inclusion, and/or provide additional supports and services, improving their lives in tangible ways.

Objective 2

The Council will engage in 20 regional and 5 statewide innovative/special projects and/or events in the areas of employment, education, housing, and health/safety to: 1) empower 5,000 people (family/self-advocates and others) in systems change efforts and give them information, skills and/or supports to increase their abilities to become effective advocates; and/or, 2) increase services to improve supports for people with intellectual/developmental disabilities and their families.

Objective 3: Collaborative (Federal Partners) Project (Required)

To be discussed at the September 2nd meeting

Goal 3 The Council will empower people with intellectual/developmental disabilities to become strong self-advocates, peer trainers and community leaders

Objective 1

The Council will provide information, resources and 125 trainings to strengthen 1,250 self-advocates in: 1) identifying and asking for the supports and services that they need; 2) becoming and serving as peer trainers; and, 3) developing skills and opportunities to engage as strong activists for issues that are important to them and their families

Objective 2

The Council will support self-advocates in peer networks by providing facilitation, tangible supports and peer advocacy/leadership opportunities through at least 1 statewide and 12 regional self-advocacy entities, reaching 6,000 self-advocates
