

The State Council on Developmental Disabilities presents:

A Festival of Learning and Ideas

Please join us as we visit **MAINSL'** in Chico, California. **MAINSL'** has used the creativity of their staff and students to create unique experiences for the entire community. Learn how they developed Distance Learning Portals and creative live Zoom sessions.

Later, we visit with the **We Care A Lot Foundation** in Redding. They are working to create a Peer-to-Peer, **Getting Connected Program**. Let's listen to what they are working on and see what we can learn and share.
