Community Listening Session on Racial Justice

Your Bay Area Regional Advisory Committee wants to hear from you:

• How do you identify (all that apply): A person with a disability, Black, Indigenous, a person of color, a family member of a person with a disability, a community member, an advocate or professional serving the disability community, a member of law enforcement, a member of the criminal justice field, and/or other.

• What county do you live or work in?

• Have you and/or a family member had direct interaction with law enforcement?

• How was that interaction?

• Do you think your race or disability affected that interaction?

• Do you have feedback or recommendations impacting law enforcement and the Black, Indigenous, People of Color, and Disability communities they serve?
  
  o Policy in allocating funding for other types of community response / services?
  o Policy impacting law enforcement recruiting, training, evaluating, discipline?
  o Any other policy feedback or recommendations?
