

Community Listening Session on Racial Justice

Your Bay Area Regional Advisory Committee wants to hear from you:

- How do you identify (all that apply): A person with a disability, Black, Indigenous, a person of color, a family member of a person with a disability, a community member, an advocate or professional serving the disability community, a member of law enforcement, a member of the criminal justice field, and/or other.
- What county do you live or work in?
- Have you and/or a family member had direct interaction with law enforcement?
- How was that interaction?
- Do you think your race or disability affected that interaction?
- Do you have feedback or recommendations impacting law enforcement and the Black, Indigenous, People of Color, and Disability communities they serve?
 - Policy in allocating funding for other types of community response / services?
 - Policy impacting law enforcement recruiting, training, evaluating, discipline?
 - Any other policy feedback or recommendations?
