All are welcome!

Pam Haney, MSW, Employment Developer and Community Work Incentives Counselor with Progressive Employment Concepts, will provide information and resources for people of all skill levels to work and earn substantially. All people with disabilities can gain competitive integrated employment (CIE) with the right supports. We will discuss Customized Employment and how to ask for services, working while receiving Social Security benefits, and the Ticket to Work program. This information is applicable throughout California.

Self-advocates and business owners will speak about supports through customized employment and what it has meant for them, their families, or their business.

If you have a question or need accommodations, please contact Sonya Bingaman at least 5 days in advance at [sonya.bingaman@scdd.ca.gov](mailto:sonya.bingaman@scdd.ca.gov) .
