STATE COUNCIL ON DEVELOPMENTAL DISABILITIES – Membership Committee

Approval of April 2021 Minutes

Action Recommended
Approve the April 2021 minutes.

Attachment(s)
April 27, 2021 Minutes
Membership Committee Meeting Minutes
April 27, 2021

1. CALL TO ORDER
   Council Chair Kara Ponton (SA) called the meeting to order at 9:36 A.M.

2. ESTABLISH QUORUM
   A quorum was established.

3. WELCOME/INTRODUCTIONS
   Members and others introduced themselves as indicated.

4. PUBLIC COMMENTS
   There were no public comments.

5. APPROVAL OF THE AUGUST 2020 MEETING MINUTES
   It was moved/seconded (Ryan [SA]/Ponton [SA]) and carried to approve the
   August 28, 2020 meeting minutes as presented. (In Favor: Ponton, Ryan;
   Abstain: Adler, Neward)

6. DEMOGRAPHIC MAP
   Executive Director Aaron Carruthers reviewed a map showing the current
demographic makeup of the Council.
7. APPOINTMENT AND VACANCIES
   Executive Director Carruthers presented the current Appointment and Vacancies Tracking Form to the Committee.

8. APPLICATIONS FOR COUNCIL
   Committee Members discussed 1st term expired terms and recommended that the candidate(s) serve a second term. Members then reviewed applications for the two vacant Council seats (At Large Institution and Los Angeles Region) and the two expiring 2nd term seats (Bay Area and Central Coast Regions). Following their review, the Committee took the below action.

   It was moved/seconded (Ryan [SA]/Ponton [SA]) and carried to move applicants 610, 612, 555, 575, 558 and 573 forward to the interview process. (unanimous, see page one for members present.)

9. RAC ROSTER
   The current RAC roster was presented to the Committee.

10. CONSIDER UPDATES TO THE RAC POLICY
    Committee members reviewed staff recommendations to streamline the RAC appointment process by allowing appointments to the RACs regardless of vacancy status. By doing so, this would allow regional managers to immediately fill vacancies when needed. Regional managers would be responsible for notifying the Committee once the candidate is activated to ensure accurate record keep. This process is already being using for the Local SDACs.

    It was moved/seconded (Ponton [SA]/Adler [SA]) and carried to move recommend that the Executive Committee adopt this process. (unanimous, see page one for members present.)

11. REVIEW RAC APPLICATIONS FOR VACANCIES, EXPIRING 1ST TERM AND MEMBER PERFORMANCE
    The Committee reviewed both expiring first and second term appointments for the listed regional office Regional Advisory Committees (RACs) as well as applications for vacant seats and to the below action to approve manager’s recommendations.

    It was moved/seconded (Ponton [SA]/Neward [FA]) and carried to adopt the regional manager’s recommendations as indicated below. (Unanimous, see page one for members present)
• Sacramento Regional Advisory Committee: appoint 557, 564, 584 and 601
• North Start Regional Advisory Committee: appoint 581
• North Coast Regional Advisory Committee: appoint 607
• Bay Area Regional Advisory Committee: appoint 574
• Sequoia Regional Advisory Committee: appoint 554
• San Bernardino Regional Advisory Committee: appoint 571 and 609
• Los Angeles Regional Advisory Committee: appoint 551 and 556

Additionally, the following applicants have been put on the wait list to be appointed when a vacancy occurs.

**Applicant Number**
566, 593, 600, 553, 555, 570, 575, 543, 550, 552, 565, 573, 542, 563, 567, 571, and 532

12. **LOCAL SDAC ROSTER**
The current local SDAC roster was presented to the Committee.

13. **REVIEW LOCAL SELF-DETERMINATION ADVISORY COMMITTEE APPLICATIONS (SDAC)**
The Committee reviewed applications for four regional centers and acted to fill SDAC vacancies as indicated below.

It was moved/seconded (Neward [FA]/Ponton [SA]) and carried to adopt the managers recommendations as follows. (Unanimous, see page one for members present)

Appoint 181 – Alta California Regional Center
Appoint 185 – Central Valley Regional Center
Appoint 193 – San Diego Imperial Regional Center
Appoint 195 – Valley Mountain Regional Center

Additionally, the following applicants have been put on the wait list to be appointed when a vacancy occurs.

How did your interest in, or knowledge of, the developmental disability field and service system develop?:
As a parent of a boy who has an autism diagnosis, the struggle to understand autism was probably the easiest part. The struggle to access resources and interventions is real and it gets worse as the child gets older.

What are your areas of interest in the developmental disability field and service system?:
Family advocacy and public policy

Please explain why you wish to serve on the State Council on Developmental Disabilities, or on one of its Regional Advisory Committees:
Accessing resources for the disability is like navigating a maze. Most families find themselves lost and many give up. As an advocate for my son, I have struggled and seen so many other families share the same agony. I believe with the increasing population of the disability community especially neurodevelopmental disabilities, our system is illequipped and poorly structured. I hope to play a proactive part in understanding the structural flaws and be a part of reforms that we badly need.
What strengths would you bring to the State Council and/or Regional Advisory Committee?:
I have been an active advocate for my own son and other families. I am passionate, self-driven and motivated to bring about the changes we need to reform the system.

Do you want to serve on a Regional Advisory Committee: Yes, I want to apply to serve on the Regional Advisory Committee

How did your interest in, or knowledge of, the developmental disability field and service system develop?:

My son was diagnosed with PDD-NOS, later diagnosed as autism, at the age of 4. As we navigated through the Regional Center and school district abyss, it became necessary for me, as his parent, to become knowledgeable and understand the process, in order to be able to fully and properly advocate for my son. I continue to advocate for him as needed. He has learned in the process to advocate for himself. I now work for a special education law firm.

What are your areas of interest in the developmental disability field and service system?:

All areas, including, but not limited to, law and ensuring that non-English speaking, specifically Spanish, families are receiving proper information and guidance to be able to properly advocate and assist their family member with a disability.

Please explain why you wish to serve on the State Council on Developmental Disabilities, or on one of its Regional Advisory Committees:

I wish to assist and provide insight both from a professional and personal level. When my son was in the
school system I served on the Elk Grove Unified School District Special Education Community Advisory Committee as a secretary, vice chair, and the chair. My committee was able to bring forth the issues within the EGUSD and provide advisory to the Governing board in collaboration with the SELPA Director.

**What strengths would you bring to the State Council and/or Regional Advisory Committee?:**
I am an effective communicator. I am able to problem solve. I am bilingual and can provide insight into the Hispanic community culture and needs. Furthermore, I am active in the community. I was a member of the FEAT governing board and continue to play an active role in the organization.

Do you want to serve on the State Council: Yes, I want to apply to serve on the State Council

Do you want to serve on a Regional Advisory Committee:

How did your interest in, or knowledge of, the developmental disability field and service system develop?:

I returned to law school, my career choice since age 5, after the birth of our middle daughter who has developmental disabilities with anxiety challenges. When she entered a county preschool class at age 3, I was asked to lead an advocacy campaign. I have continued and expanded my knowledge and reach throughout the next 31 years.

What are your areas of interest in the developmental disability field and service system?:

I am particularly interested in adequate, accessible, and affordable housing, competitive and integrated employment (I studied employment and labor law at Cornell Univ. and then practiced in the field), forensic reform (I have worked for 3 levels of state courts, fed'l district court, the Attorney General 's Criminal Div., D.A. Alameda and P.D. Contra Costa Co.), paying DSP competitive and appropriate wage,s and constructing a community college training certificate which fills an important gap

Please explain why you wish to serve on the State Council on Developmental Disabilities, or on one of its Regional Advisory Committees:
I have served on the Bay Office's RAC for years, serving on the Area Bd. 5 as its predecessor, and applied some years ago for membership on the SCDD. I was interviewed by a Dr. April [unknown last name] and expected to be appointed, but never received any further response. I am not only a parent able to help, but am a retired attorney with expertise to share. I belong to many other advocacy organizations working towards a better DD system and feel I can share alternative perspectives to share. I am passionate about eliminating disparities and racial/ethnic inequalities and work with various organizations to advance these causes.

What strengths would you bring to the State Council and/or Regional Advisory Committee?:
I am an experienced researcher, a former junior high and high school history and sociology teacher, and a retired lawyer with years of advocacy experience. I write well, am articulate, and very interested working on legislative and policy issues which create systemic change. More over, I want to work with other advocates in and outside our disability community, to support their efforts, and help to communicate their message. I will bring both information, focus, and energy to our work as a passionate advocate and an optimist. I am comfortable providing testimony, written or oral, and meeting with legislators, and community stakeholders alike. I

How did your interest in, or knowledge of, the developmental disability field and service system develop?:
I have worked with this population, professionally, for the past 8 years. My time spent with individuals with developmental disabilities has been heartbreaking and sad, yet an honor. When I served with AmeriCorps in Oakland, California it was my introduction to the trauma these individuals experience and how that presents in their daily lives. From there, I served in Pomona County in Southern California. There, I observed the same type of problems - individuals being restrained, mental health concerns, substance use, gun violence and homelessness. When I received my Master's of Social Work in 2017, I learned that to I am choosing to work with Social Welfare. I have directly worked with regional center clients for the past 4 years and in that time I have been able to help some. And I am learning that policy and the State Council is an opportunity to help the clients I couldn't.

What are your areas of interest in the developmental disability field and service system?:
Comorbidity/Mental Health, Trauma and Housing
Please explain why you wish to serve on the State Council on Developmental Disabilities, or on one of its Regional Advisory Committees:
It is empowering to help make positive change. It would be a privilege and an honor to serve on the State Council on Developmental Disabilities. Being apart of this community is a step in the right direction for me on how I can advocate for my clients, my nephew, and the families! I am here to be the voice of those who cannot speak, who are abused, who are in foster care, and who just need some stability. Do you want to serve on a Regional Advisory Committee:

Yes, I want to apply to serve on the Regional Advisory Committee

How did your interest in, or knowledge of, the developmental disability field and service system develop?:

Thirteen years ago, I was a co-founder of a specialty mental health clinic devoted to the psychiatric care and support of individuals with developmental disabilities. We coordinated braided funding between our MediCal managed care services (HPSM), regional center (GGRC), and Behavioral Health and Recovery Services of San Mateo County. Since then, I have provided psychiatric medication management, psychotherapy and support within a multi-disciplinary and collaborative, community-based system. Our clinic has since been a model of care for the Northern California regional area.

What are your areas of interest in the developmental disability field and service system?:

I am interested in advocating for mental health resources, as well as broader resources and access to care, for individuals with developmental disabilities.

Please explain why you wish to serve on the State Council on Developmental Disabilities, or on one of its Regional Advisory Committees:

It has been such a honor and privilege being an advocate and provider for my clients with developmental
disabilities. The challenges of coordinating care between health care systems and entities, and advocating for equitable treatment and access to services has impacted our county and the clients and families we serve. I would love to take this direct, first hand clinical experience and extend this knowledge towards regional and state level advocacy, policy development, and community engagement.

**What strengths would you bring to the State Council and/or Regional Advisory Committee?:**
I have experience working with a multi-disciplinary and collaborative approach in my clinical care and through teaching medical students and physician residents as an affiliated clinical assistant professor at Stanford. My strengths would be over a decade of direct patient care with individuals with developmental disabilities, overseeing legal consent issues for our county to provide safeguards for those with disabilities, as well as administrative, leadership, and programmatic oversight as the associate director for the Pegasus Physician Writers. Thank you so much for your consideration.

I am a: parent, family member, legal guardian or conservator of a person with a developmental disability, representative of the general public

**Are you currently employed by, or a member of the governing board of an organization providing services to persons with developmental disabilities?:**

No

**Are you a member of a nongovernmental agency that does not receive regional center funding?:**

No

**Do you want to serve on the State Council:** Yes, I want to apply to serve on the State Council

**Do you want to serve on a Regional Advisory Committee:**

**How did your interest in, or knowledge of, the developmental disability field and service system develop?:**

I returned to law school, my career choice since age 5, after the birth of our middle daughter who has developmental disabilities with anxiety challenges. When she entered a county preschool class at age 3, I was asked to lead an advocacy campaign. I have continued and expanded my knowledge and reach throughout the next 31 years.

**What are your areas of interest in the developmental disability field and service system?:**

I am particularly interested in adequate, accessible, and affordable housing, competitive and integrated employment (I studied employment and labor law at Cornell Univ. and then practiced in the field), forensic reform (I have worked for 3 levels of state courts, fed'l district court, the Attorney General 's Criminal Div., D.A. Alameda and P.D. Contra Costa Co.), paying DSP competitive and appropriate wage,s and constructing a community college training certificate which fills an important gap

**Please explain why you wish to serve on the State Council on Developmental Disabilities, or on one of its Regional Advisory Committees:**
I have served on the Bay Office's RAC for years, serving on the Area Bd. 5 as its predecessor, and applied some years ago for membership on the SCDD. I was interviewed by a Dr. April [unknown last name] and expected to be appointed, but never received any further response. I am not only a parent able to help, but am a retired attorney with expertise to share. I belong to many other advocacy organizations working towards a better DD system and feel I can share alternative perspectives to share. I am passionate about eliminating disparities and racial/ethnic inequalities and work with various organizations to advance these causes.

What strengths would you bring to the State Council and/or Regional Advisory Committee?:
I am an experienced researcher, a former junior high and high school history and sociology teacher, and a retired lawyer with years of advocacy experience. I write well, am articulate, and very interested working on legislative and policy issues which create systemic change. More over, I want to work with other advocates in and outside our disability community, to support their efforts, and help to communicate their message. I will bring both information, focus, and energy to our work as a passionate advocate and an optimist. I am comfortable providing testimony, written or oral, and meeting with legislators, and community stakeholders alike. I

Are you a member of a nongovernmental agency that does not receive regional center funding?:
No

Do you want to serve on the State Council?: Yes, I want to apply to serve on the State Council

Do you want to serve on a Regional Advisory Committee?: Yes, I want to apply to serve on the Regional Advisory Committee

How did your interest in, or knowledge of, the developmental disability field and service system develop?:
Thirteen years ago, I was a co-founder of a specialty mental health clinic devoted to the psychiatric care and support of individuals with developmental disabilities. We coordinated braided funding between our MediCal managed care services (HPSM), regional center (GGRC), and Behavioral Health and Recovery Services of San Mateo County. Since then, I have provided psychiatric medication management, psychotherapy and support within a multi-disciplinary and collaborative, community-based system. Our clinic has since been a model of care for the Northern California regional area.

What are your areas of interest in the developmental disability field and service system?:
I am interested in advocating for mental health resources, as well as broader resources and access to care, for individuals with developmental disabilities.

Please explain why you wish to serve on the State Council on Developmental Disabilities, or on one of its Regional Advisory Committees:
It has been such a honor and privilege being an advocate and provider for my clients with developmental
disabilities. The challenges of coordinating care between health care systems and entities, and advocating for equitable treatment and access to services has impacted our county and the clients and families we serve. I would love to take this direct, first hand clinical experience and extend this knowledge towards regional and state level advocacy, policy development, and community engagement.

**What strengths would you bring to the State Council and/or Regional Advisory Committee?:**

I have experience working with a multi-disciplinary and collaborative approach in my clinical care and through teaching medical students and physician residents as an affiliated clinical assistant professor at Stanford. My strengths would be over a decade of direct patient care with individuals with developmental disabilities, overseeing legal consent issues for our county to provide safeguards for those with disabilities, as well as administrative, leadership, and programmatic oversight as the associate director for the Pegasus Physician Writers. Thank you so much for your consideration.

I am a: representative of the general public

Are you currently employed by, or a member of the governing board of an organization providing services to persons with developmental disabilities?:
No

Are you a member of a nongovernmental agency that does not receive regional center funding?:
Yes

Do you want to serve on the State Council:

Do you want to serve on a Regional Advisory Committee: Yes, I want to apply to serve on the Regional Advisory Committee

How did your interest in, or knowledge of, the developmental disability field and service system develop?:
I served as a professional Organizational Payee with a substantial number of clients from the Redwood Coast Regional Center from 1990 to present. I am an independent contractor not an employee of the regional center. I retired in 2019 but continue to serve one client as a Money Manager and another as an Independent Facilitator for Self Determination.

What are your areas of interest in the developmental disability field and service system?:
I am a strong advocate of supported living and would like to help these programs expand their ability to recruit new workers as the system is woefully under-staffed. I am interested in working on making the Self Determination program more “user-friendly” since it will soon be the service design that all clients will be encouraged to use. I am especially concerned with the staffing ratio at my local regional center and working to find a way to encourage less turn-over and faster replacement of personnel when that doesn't work. Both clients and employees suffer when there is not adequate staff on-board. Of course, I am interested in helping to recruit more Organizational Payees since they are essential to the independence of clients and, currently, are lacking in numbers and diversity.
Please explain why you wish to serve on the State Council on Developmental Disabilities, or on one of its Regional Advisory Committees:
I hope to help make positive suggestions that will result in improvements to the regional center system(s) and work toward helping the implementation of those improvements.

What strengths would you bring to the State Council and/or Regional Advisory Committee?:
I have 30 years of experience working with the regional center system throughout the wide catchment area of Redwood Coast. I can bring historical memory to the committee, as well as knowledge of current programs. My financial services background can be a valuable asset since all programs must be fiscally responsible in order to be successful. While it is not always the best position to be in, someone must be willing to say that "The Emperor Has No Clothes"!

Do you want to serve on the State Council:

Do you want to serve on a Regional Advisory Committee: Yes, I want to apply to serve on the Regional Advisory Committee

How did your interest in, or knowledge of, the developmental disability field and service system develop?:
I am a parent of an Elementary school aged child with Autism

What are your areas of interest in the developmental disability field and service system?:
For me, an area of vital importance is educating the immediate and extended family members of children with ASD- particularly in cultures that shy away from acknowledging disabilities- so that they can develop the proper tools to be effective allies. Additionally, having previously been a juris doctorate candidate, delving into the policies and laws that shape the special education system and govern the Department of Developmental Services is also of particular interest.

Please explain why you wish to serve on the State Council on Developmental Disabilities, or on one of its Regional Advisory Committees:
Providing support and services to communities of color to help them navigate the autism journey is the driving force for why I wish to serve on SCDD RAC.
What strengths would you bring to the State Council and/or Regional Advisory Committee?:
As a mother and primary caregiver for my son with ASD, I serve as his advocate and Independent Facilitator. In order to have a comprehensive understanding of his diagnosis and increase her competency as an advocate, I have completed the following programs: an Autism Spectrum Disorder Certification at UC Davis Continuing and Professional Education; a Person-Centered Thinking Training Certification through the State Council on Developmental Disabilities; Self Determination Training through ALTA Regional Center; an Independent Facilitator Certification for the SDP offered to Regional Center clients and a Special Education Legal Advocacy Course at San Joaquin College of Law. Additionally, I am part of the 2021-2022 Leadership Education in Neurodevelopmental and Related Disabilities (LEND) Program at UC Davis. I also serve as a member or participant in numerous organizations that provide support and training opportunities for members of the Autism community, which includes: Sankofa at The UC Davis MIND Institute; The State Council on Developmental Disabilities; The Council of Parent Attorneys and Advocates, Inc. (COPAA); Disability Voices United; and Autism Society of Los Angeles (ASLA). I feel it is imperative that I continue my education and involvement in these organizations and alike, as they provide indispensable tools that contribute to my effectiveness as not only a parent advocate for my son, but for the autism community at large.

Do you want to serve on a Regional Advisory Committee: Yes, I want to apply to serve on the Regional Advisory Committee

How did your interest in, or knowledge of, the developmental disability field and service system develop?:
I have worked with this population, professionally, for the past 8 years. My time spent with individuals with developmental disabilities has been heartbreaking and sad, yet an honor. When I served with AmeriCorps in Oakland, California it was my introduction to the trauma these individuals experience and how that presents in their daily lives. From there, I served in Pomona County in Southern California. There, I observed the same type of problems - individuals being restrained, mental health concerns, substance use, gun violence and homelessness. When I received my Master's of Social Work in 2017, I learned that to I am choosing to work with Social Welfare. I have directly worked with regional center clients for the past 4 years and in that time I have been able to help some. And I am learning that policy and the State Council is an opportunity to help the clients I couldn't.

What are your areas of interest in the developmental disability field and service system?:
Comorbidity/Mental Health, Trauma and Housing
Please explain why you wish to serve on the State Council on Developmental Disabilities, or on one of its Regional Advisory Committees:
It is empowering to help make positive change. It would be a privilege and an honor to serve on the State Council on Developmental Disabilities. Being apart of this community is a step in the right direction for me on how I can advocate for my clients, my nephew, and the families! I am here to be the voice of those who cannot speak, who are abused, who are in foster care, and who just need some stability. Like the Golden Gate Warriors say, there are strengths in numbers; and I want to be a number.

Race: American Indian/Native Alaskan, Asian

I am a: representative of the general public

Are you currently employed by, or a member of the governing board of an organization providing services to persons with developmental disabilities?:

Yes

Are you a member of a nongovernmental agency that does not receive regional center funding?:

No

Do you want to serve on the State Council?: Yes, I want to apply to serve on the State Council

Do you want to serve on a Regional Advisory Committee?: Yes, I want to apply to serve on the Regional Advisory Committee

How did your interest in, or knowledge of, the developmental disability field and service system develop?:

Thirteen years ago, I was a co-founder of a specialty mental health clinic devoted to the psychiatric care and support of individuals with developmental disabilities. We coordinated braided funding between our MediCal managed care services (HPSM), regional center (GGRC), and Behavioral Health and Recovery Services of San Mateo County. Since then, I have provided psychiatric medication management, psychotherapy and support within a multi-disciplinary and collaborative, community-based system. Our clinic has since been a model of care for the Northern California regional area.

What are your areas of interest in the developmental disability field and service system?:

I am interested in advocating for mental health resources, as well as broader resources and access to care, for individuals with developmental disabilities.

Please explain why you wish to serve on the State Council on Developmental Disabilities, or on one of its Regional Advisory Committees:

It has been such a honor and privilege being an advocate and provider for my clients with developmental
disabilities. The challenges of coordinating care between health care systems and entities, and advocating for equitable treatment and access to services has impacted our county and the clients and families we serve. I would love to take this direct, first hand clinical experience and extend this knowledge towards regional and state level advocacy, policy development, and community engagement.

**What strengths would you bring to the State Council and/or Regional Advisory Committee?:**
I have experience working with a multi-disciplinary and collaborative approach in my clinical care and through teaching medical students and physician residents as an affiliated clinical assistant professor at Stanford. My strengths would be over a decade of direct patient care with individuals with developmental disabilities, overseeing legal consent issues for our county to provide safeguards for those with disabilities, as well as administrative, leadership, and programmatic oversight as the associate director for the Pegasus Physician Writers. Thank you so much for your consideration.

I am currently on the Board of the Silicon Valley Independent Living Center, the Committee for Transportation Mobility and Accessibility, and the voting Accessibility advisory committee. All my experience is with helping and speaking up for people with all kinds of disabilities. I met and have been working with David Grady for 6 months.

What are your areas of interest in the developmental disability field and service system?:
After 25 years at The Silicon Valley Independent Living Center, I have learned to be a strong advocate for people with all kinds of disabilities. Before being on the board, I was a client of the Center. They taught me Independent living skills so now I have been living on my own for 25 years. I would like to continue my advocacy work and help more people with developmental disabilities realize their strength and potential.

Please explain why you wish to serve on the State Council on Developmental Disabilities, or on one of its Regional Advisory Committees:
I wish to serve on the State Council on Developmental Disabilities because Its important to have the
voices of the disability community heard and respected. Everyone deserves a life where they can fully participate in what happens in their own lives.

What strengths would you bring to the State Council and/or Regional Advisory Committee?:
I am not only a strong communicator who works well with people, but, am good at problem solving. I have gone to Sacramento for Disability Capital Action Day to speak to any number of staff, including assemblymen and senators for the last 20 years, pre COVID. With all my experience, all ready in the disability community, I would be a great candidate for the position on the State Council.

Yes

Do you want to serve on the State Council:

Do you want to serve on a Regional Advisory Committee: Yes, I want to apply to serve on the Regional Advisory Committee

How did your interest in, or knowledge of, the developmental disability field and service system develop?:
I have two sons with Autism who are in their late teens. I have been a leader for their school district’s Community Advisory Committee for Special Education for the last 5 years. Often called on our local SCDD representative to teach our community about their rights or help us advocate for changes. I feel I am more familiar with the community needs and systemic issues now that would be of service.

What are your areas of interest in the developmental disability field and service system?:
Emerging adults, employment, housing, self determination.

Please explain why you wish to serve on the State Council on Developmental Disabilities, or on one of its Regional Advisory Committees:
There are some challenging conversations the disability community needs to have following the last presidential administration. The last four years we needed to keep our heads down, now we need to talk about inclusive systems, funding, and better representation in politics for people with developmental
disabilities. Autism is a developmental disability that is growing in numbers and our state needs to better prepare for their growing needs.

**What strengths would you bring to the State Council and/or Regional Advisory Committee?:**
When it comes to resolving an issue, I am the energizer bunny-I keep going and going... for over five years I have been fighting for our public schools to ban the prone restraint. Our SELPA has written a behavioral intervention policy that bans it for students with disabilities throughout all of Santa Clara. I will keep fighting for this ban until it is state wide, all people, all situations. California needs to be a no prone zone, using safer practices to avoid restraint and if restraint is necessary, not dehumanize and place the person restrained at risk of positional asphyxiation.

I am a: representative of the general public

Are you currently employed by, or a member of the governing board of an organization providing services to persons with developmental disabilities?:
No

Are you a member of a nongovernmental agency that does not receive regional center funding?
No

Do you want to serve on the State Council: Yes, I want to apply to serve on the State Council

Do you want to serve on a Regional Advisory Committee: Yes, I want to apply to serve on the Regional Advisory Committee

How did your interest in, or knowledge of, the developmental disability field and service system develop?:
I have been supporting individuals with disabilities for over 20 years. I have been a SPED teacher and business owner of an agency that provided services to individuals with disabilities, predominately autism. I have vendored with many regional centers and health plans and am familiar with title 17 and the various supports and services available to consumers. I have seen how difficult it is to provide services in the "box" of what DDS requires. This has lead me to strive to change they system to make it more flexible. I have recently been assisting the agency I work with develop programs for Alternative Service delivery.

What are your areas of interest in the developmental disability field and service system?:
One item that is important to me is extending the access to behavior health treatment to the adult population of individuals with autism and other developmental disabilities. I would like to see this funded by MediCal in the future. Another item is to ensure individuals with disabilities have access to the services they need in the way they need them, not to be kept on the "box" of title 17 service codes, while ensuring the services provided are evidenced based, safe and beneficial
Please explain why you wish to serve on the State Council on Developmental Disabilities, or on one of its Regional Advisory Committees:

My experience with public policy efforts related to people with disabilities come mostly from my time serving as a member and on the board of directors of the California Consortium for Behavior Analysis (CCCA). I have been involved with CCBA since 2014 and have served as the “Membership Chair”. Currently, I hold the position of “Education and Training Committee Chair”. I have worked with CCBA on various legislative feats. While supporting CCBA, I worked on committees to draft position statements for various pieces of legislation we supported or opposed and assisted in drafting letters to North Los Angeles County Regional Center when we were put in a position to fight to provide behavior analytic services in an appropriate and ethical manor.

In 2015, I visited to Sacramento with our PPC Chair and attended the following appointments:
• Visits with Assemblyperson’s offices
• Visits with Senator’s offices
• Attended an Assembly Budget Sub Committee Hearing on DDS where we were able to provide public comment.

I worked with my agency and other individuals in the behavior analytic community to provide feedback/public comment on the ABX2-1 Rate Study.

In addition to the above experience, when I was the owner/director of Passport to Adaptive Living, I was very active in the Vendor Advisory Committee (VAC) of Tri Counties Regional Center (TCRC) with the sole purpose to advocate for evidenced based behavior analytic services to be provided to “consumers” of all ages.

In the past, I have served on the board of Autism Society of Ventura County (2007-2015) and The Autism Society of California State Chapter (2010-2015).

I would like to serve with the state council to further gain knowledge and fight for individuals with disabilities to have access to their services.

What strengths would you bring to the State Council and/or Regional Advisory Committee?:

As a Board Certified Behavior Analyst (BCBA), I have knowledge in supporting individuals with autism. I would love to see more inclusive community based and employment options for this population. In addition, I am on the Diversity, Equity and Inclusion Task Team at my current place of employment. DEI should be incorporated more into service delivery and I can assist with that.

Has Your Name Been Selected To Participate In The Roll Out Of The Self-Determination Program?
Yes

How did your interest in, or knowledge of, the developmental disability field and service system develop?:
My son has autism, and I want to learn how to advocate for him developing his Self-Determination Plan that meet his unique needs. Also, I want to become involved to learn and guide other parents to the process of self-determination.

What are your areas of interest in the developmental disability field and service system?:
I want to become a parent advocate for my son and minority groups because we are the groups who need more information to become involved. I want to learn in order to help others.

Please describe any previous experience with Self-Determination and explain why you wish to serve on the Self-Determination Advisory Committee?:
My son is in the process of Self-Determination. I have attended several workshops related to this amazing program, and I want to learn more to share with other parents who are not aware of it. Being on the Self-Determination Advisory Committee will give me the opportunity to learn more.

Has Your Name Been Selected To Participate In The Roll Out Of The Self-Determination Program?
No

How did your interest in, or knowledge of, the developmental disability field and service system develop?:
I'm a parent advocate of an 8-year-old son with ASD

What are your areas of interest in the developmental disability field and service system?:
Policy and Advocacy, Community Outreach/Training

Please describe any previous experience with Self-Determination and explain why you wish to serve on the Self-Determination Advisory Committee?:
My son is currently in the process of transitioning into SDP, since July 2021. We are now on the 6th draft of his budget, and each time a draft was sent to us for review, there was an error. It has gotten to the point where I had to vocalize the evident miscalculations on a conference call with 2 managers and 1 Director at Alta, as I walked them through basic math; adding one number from one column to another number in another column, and calculating the total- which was not the total sum showing up on the budget. I've attended numbers Advisor Committee meetings to learn from the various members as well as voice concerns about roadblocks and barriers that families are coming across. I wish to serve on the committee in part to represent and advocate for the minority community, in part for my own personal enrichment so as to understand both sides of the SDP process—which would make be a more effective Independent Facilitator- and in part to hold the regional center accountable and ensure their proper interpretation of and adherence to the DDS directives.

Has Your Name Been Selected To Participate In The Roll Out Of The Self-Determination Program?
No

How did your interest in, or knowledge of, the developmental disability field and service system develop?
I am a Educational Advocate and Advocate attending CVRC IPP Meetings, all free of cost to parents, helping families in addressing there needs directly related to the deficits of the child, how it affects there access to the community and how it affects the family unit as a whole. I believe that if we adequately service the Developmentally Disabled person, early on, that the services and supports will be able to be faded eventually, leaving them a more independent adult. I’m not saying this as a blanket statement that applies to all people with disabilities, but what I can say is from my experience that I have seen this too be very effective.

What are your areas of interest in the developmental disability field and service system?:
Autism, Global Developmental Delay, Intellectual Disability, Speech and Related Disorders, ADHD, are just to name a few. I’m very passionate about all disabilities and how they am directly affect our population, too include those at risk.

Please describe any previous experience with Self-Determination and explain why you wish to serve on the Self-Determination Advisory Committee?:
I believe that my diverse background in helping families be successful in advocating for there child and the needs of that child are valuable in many ways,. I think it is important to help them access the community, as independently, as possible and to teach them self advocacy skills, life skills, activities of daily living and so much more. I think if we look at it from a bit of a different view, such as helping support
the family unit as a whole, keeping and encouraging them too help support the developmentally disabled person in the home environment with supports and services, that the Developmental disabled person could be much more successful and independent, in addition this could be more cost effective.

I am a: Independent Facilitator

Has Your Name Been Selected To Participate In The Roll Out Of The Self-Determination Program? No

How did your interest in, or knowledge of, the developmental disability field and service system develop?:
I have been working in various capacities with both youths and adults with disabilities for over 20 years. I have assisted my clients and individuals ensuring that there developed plans IEPs, IPPs, are meeting their individual goals. I have supported both the individuals and their families to understand the plan and ensure that supportive services are being provided. I am currently establishing my Independent Facilitator services under the name of Choices (Opciones). I have an extensive background in developing plans and assisting the individual in determining what goals best meet their needs.

What are your areas of interest in the developmental disability field and service system?:
Providing independence for both youths and adults with disabilities ensuring that their needs are met according to their interests through the self-determination program.

Please describe any previous experience with Self-Determination and explain why you wish to serve on the Self-Determination Advisory Committee?:
I recently became a self-determination facilitator, and I want to ensure the success of this program. As a Independent Facilitator I feel that doing the work will provide me with insight on what is working and what is not working.

Has Your Name Been Selected To Participate In The Roll Out Of The Self-Determination Program?
Yes

How did your interest in, or knowledge of, the developmental disability field and service system develop?:
I have two young adults now, whom were selected. One from the first roll out, the other from the second roll out, due to sibling being enrolled.

What are your areas of interest in the developmental disability field and service system?:
Enhancing & improving support/services for all who have different abilities including all cultures, which may also include language barriers.

Please describe any previous experience with Self-Determination and explain why you wish to serve on the Self-Determination Advisory Committee?:
I continue to support our young adults with PCP & being their IF, as well as other families within the county & thru the state. I have personal experience regarding the continued supports clients need & are not being met, from many different agencies. I am definitely an out of the box thinker, which allows me to see things from a different perspective which contributes in the supports of my young adults and other families. I work with families who are bicultural & or bilingual within the state and our county. I have previously been on a healthcare and DELAC (School) boards. I feel that I can be open and fair in my participation in SDP LAC CVRC.

Has Your Name Been Selected To Participate In The Roll Out Of The Self-Determination Program?
No

How did your interest in, or knowledge of, the developmental disability field and service system develop?
I am blessed to be the mother of a brilliant transgender son who was identified as gited in 2nd grade, identified at 7th grade as special education student and in 9th grade identified as person who was not identified as having autism as the root for his mental health issues. I learned the hard way that experts and professionals dont always implement the services available in an efficient and humane way. I had to become an advocate to highlight those loops not only for my son but for ethich minorities families like mine.

What are your areas of interest in the developmental disability field and service system?:
I am personally call for putting the work to close disparity among the IDD community. All families need resources in a cultural competence manner. I am willing to have those conversations. I am passionate about reaching out for answers and I love data. I'm not afraid of hard work looking into solutions in short and long term while keeping in mind the different angles.

Please describe any previous experience with Self-Determination and explain why you wish to serve on the Self-Determination Advisory Committee?:
I'm an independent facilitator since 2019. I have completed more than five additional trainings. I'm on the process to have my own child transition into self determination by using an independent facilitator. I want to support the sistem that will be in place to support my child when I'm gone. This will bring the opportunity to contribute and bring the perspective of a transgender and Hispanic family.

No

How did your interest in, or knowledge of, the developmental disability field and service system develop?:
I am a parent of a 18 years son of Autism who has been a consumer of the RCOC since he was two years old. I have been his strong advocate for his education, medical, physical (APE, OT), mental, social (e.g. speech) developments since he was born. I have attended numerous training and seminars from organizations such as Autism foundations, SCDD, DRC, VPDCA, RCOC ... about my child's developments through the years, his rights, services and support. I have done research, evaluations on my own to find the best tools, solutions to help my child's disabilities and help him reach his full potential.

What are your areas of interest in the developmental disability field and service system?:
My areas of interests include transition from high school, self determination program, speech and OT, social skills, reading, Independent living skills, social recreation, personal safety ... and helping the Vietnamese speaking parents of children with intellectual disability in Orange County.

I can speak 2 languages fluently: Vietnamese and English and have been active with the VPDCA (Vietnamese Parents of Disabled Children Association) in Southern California in over the past 2 years.

I have volunteered at the VPDCA in over the past 2 years to design and teach monthly Art class for 25 students (max. class size) of special needs in Orange County and organized and taught performing arts for the VPDCA children to perform at civic events and to build up their social skills and self
confidence.

Please describe any previous experience with Self-Determination and explain why you wish to serve on the Self-Determination Advisory Committee?:
I have been interested in the SDP since last year upon learning about it from one VPDCA parent who went through the SDP pilot for her son at another RC. Since then I have built strong knowledge of the SDP program and attended several SDP training/presentations/seminars offered by the RCOC, VPDCA with DRC attorneys and SCDD manager, Autism organization. I think SDP is a really good program and can be beneficial for a lot of families in OC including the large community of Vietnamese speaking families in OC. I have participated via Zoom the RCOC SDP LAC meetings in past several months and believe that I can contribute to the committee in working collaboratively making recommendations for improvement to the regional center and the Department of Developmental Services and facilitating the sharing of best practices and training materials.

I am a: an Employee of a Parents & Friends, Inc. Which serves adults with disabilities. I am also passionate about serving people in the disability field, and learning as much as I can to help.

Has Your Name Been Selected To Participate In The Roll Out Of The Self-Determination Program? No

How did your interest in, or knowledge of, the developmental disability field and service system develop?:
Honestly, my interest began at a really young age, So in short it: I would say it started in Early Elementary around 1st grade. I would hang out with my friends in the special education class room on breaks. This was just the beginning. As time went on I chose my elective to be a teacher’s aide in our local special education class room. Here I would help in the classroom 1:1 and lead group lessons. Along with assisting student/peers to mainstream classes to help with projects, understanding and advocacy with teachers, to ensure my peers’ needs were being met. After some college I worked in as an aide for special education again, in on-one settings and group settings for the Nevada County school District working with a range of K-6 grade. In 2013 I became a DSP for Parents & Friends, Inc. and quickly learned this was the right fit for me. Over the years I have grown and gained knowledge. Since starting as a DSP I have also managed a community integrated day program. Became a certified Person Centered Thinking trainer, through The Learning Community. Held a position as an HR Coordinator, where I was able to help seek out employees that were the right match. I have spent time filling in for management of various programs and assisting the Director of Community Integrations on many projects to benefit all persons served at Parents & Friends, Inc., before holding my current position as Parents & Friends Person Centered Services Coordinator. I am involved with Parents & Friends Inc.’s participant council and they may be interested in learning more about Self-Determination and possibly explore training in self determination to educate their peers.
What are your areas of interest in the developmental disability field and service system?:
My main area of interest is Person Centered Thinking and ways to continue to implement into the services offered and into the culture at Parents & Friends, Inc. I am interested in learning new ways to help support educate and advocate for those I work with.

Please describe any previous experience with Self-Determination and explain why you wish to serve on the Self-Determination Advisory Committee?:
Though I have some experience serving someone that was Self Determined it was little. I would like to learn more about Self-Determination and how I may be able to contribute to helping support educate and advocate for those I work with in terms of Self- Determination.

How did your interest in, or knowledge of, the developmental disability field and service system develop?:
I have a disabled daughter. My wife and I have been advocating for her for 33 years.

What are your areas of interest in the developmental disability field and service system?:
To provide services that include disabled people in the community. To provide support to the families to improve the services to their disabled family members.

Please describe any previous experience with Self-Determination and explain why you wish to serve on the Self-Determination Advisory Committee?:
I do not have experience in self-determination. But for the last 20 to 25 years, we have been hiring our caregivers and training them. We have a process to teach them that has shown successful I for us. Today's reality has made it difficult to find caregivers.
I want to share our family experience and help people provide good care to their loved ones and maximize the benefits they get.

How did your interest in, or knowledge of, the developmental disability field and service system develop?:
My oldest daughter who is now 25, was diagnosed with CP at 18 months and serviced by the Regional Center since age 4. In addition, she has an ID and seizure disorder.

What are your areas of interest in the developmental disability field and service system?:
Self Determination and advocating for my daughter and other families in obtaining services to maximize their abilities and to educate and advocate for services in areas of disparities and in families where disparities exist.

Please describe any previous experience with Self-Determination and explain why you wish to serve on the Self-Determination Advisory Committee?:
I was approached to serve on our local advisory board with SGP about a year ago. I had no knowledge of SD at that time. I felt so lost and incompetent at every single meeting. I felt so overwhelmed with the conversation as all the info was being heard for the very first time. I have three adult children and at that time I had one full time job, two part time jobs and a new husband. When I interpreted the information regarding the SDP at the meetings, I felt like I was going to add a 4th job to my plate and I respectfully emailed our executive director Anthony Hill to let him know that I didn't feel like a great addition to the team and that I would rather focus my efforts helping support parents at an organization called Parenting Black Children where I had also been receiving support as a parent. Since then, I quit both my part time jobs and my full time job, and started only working part time as the Parent Support Manager with
Parenting Black Children. I have since become a full time advocate for my daughter, sitting in on as many committee meetings, subcommittee meetings, vendor meetings, self-determination trainings, self-determination orientations, meetings to discuss state budget issues about SD, joined a FB SD group, and met and connected with parents currently in the self-determination program, learning everything I can about self-determination and the much better life my daughter can have transitioning to this program. I'm an advocate. That is what I do. My passion is and always has been to advocate for oppressed people. Opportunities should be for all people and everyone should have the right to a happy and healthy life free from oppression and abuse of any kind.

How did your interest in, or knowledge of, the developmental disability field and service system develop?:
My interest in the developmental disability field and service system developed by having a child that is developmentally delayed. I would like to advocate for her and others who are similarly in that condition/situation.

What are your areas of interest in the developmental disability field and service system?:
My areas of interest in the developmental disability field and service system are I would like to learn how to better advocate for my child and other children. I would like for them to be able to live a life where they are not seen in the eyes of others as different and as just a child or a person who have feelings and needs like everyone else.

Please describe any previous experience with Self-Determination and explain why you wish to serve on the Self-Determination Advisory Committee?:
I have previous experience with self-determination by attending San Gabriel/O.C. self - determination meetings so I can get a better understanding of what the service is. I have enrolled and attended the orientation of the pilot program but did not get chosen. I wish to serve on the Self - Determination Advisory Committee so I can be the voice for the community that needs people to advocate on their behalf so they can live a life that is considered "normal".

How did your interest in, or knowledge of, the developmental disability field and service system develop?:

REDACTED is the founder and director of Parenting Black Children a project of Access Nonprofit Center. She is a proud parent of a son on the Autism Spectrum served by the Regional Center and is well aware of the needs of raising a child with developmental challenges. Additionally, she serves the local school district’s special education department, volunteers at her church, and sits on the Client Services Committee of the San Gabriel/Pomona Regional Center. Through her struggle of gaining equal access for her child to receive services from community and public education she realized that other parents and caregivers were experiencing the same challenges. She, out of her struggle, challenges and passion to serve – Parenting Black Children was born.

What are your areas of interest in the developmental disability field and service system?: Parent/ Caregiver support & Early Intervention

Please describe any previous experience with Self-Determination and explain why you wish to serve on the Self-Determination Advisory Committee?:
Founder, Director and Member of Parenting Black Children founded to support families to get access to information and resources to help their families thrive. As a parent of a Beautiful Black Boy, I struggled understanding how to get help for the kid and no many were open to sharing information. I crossed that hurdle by getting involved with the school district and our regional center. Now we are in the SDP process, I decided to get certified as an IF just to have the information to share with others. What I want
for my son is that our family together have a CHOICE to choose and to assist him with living a life that is thriving and not merely surviving. We often have to make adjustments either we pay a little more to get him an aide to attend certain activities in the community or there is a limit to the services offered in our area. I want him to have the Equitable Access to services. My hope and goal is to SERVE AND SHARE.

How did your interest in, or knowledge of, the developmental disability field and service system develop?: My Interest and knowledge of the developmental disability field began at a very early age with my family's involvement with Special Olympics over the years. My interest continued and developed on into my adult years as I am employed in the field as a Job Coach until the present.

What are your areas of interest in the developmental disability field and service system?: As a Job Coach my interest lies with the individual and their families. My goal is to assist them as they maneuver through the varied programs that are available to the Self Determined individual as she/he seeks out adaptive employment opportunities.

Please describe any previous experience with Self-Determination and explain why you wish to serve on the Self-Determination Advisory Committee?: My own personal experience with Self Determination is what I have learned and still learning from my eldest sibling who is a Self Determine Client through the San Gabriel Valley Regional Center. I have also attended trainings on Self Determination as well at this same Regional Center.

I wish to serve on the Self Determination Advisory Committee because I have the ability to assist the Self Determination Client through support; to meet and achieve the goals that are attainable and I share the programs outlook that the aforementioned client deserves the support that is made available to them through the Plans that are set up for the Self Determined Client and their families.
