AGENDA ITEM 8.
POTENTIAL ACTION ITEM

STATE COUNCIL ON DEVELOPMENTAL DISABILITIES – LPPC

2023 Legislative Priorities

The goal of this agenda item is for Committee members to continue activity planning for 2023. The Committee will begin this by considering staff recommendations to streamline committee meeting structure.

The revised Policy Platform and Policy Priorities will be provided to members to help guide this discussion prior to the meeting. As a reminder, these documents lay the foundation of the policy work of the Council. They are aligned with the State Plan and assist staff in identifying key issues to take action on, including sponsoring and supporting legislation. At the September 13, 2022, meeting, members recommended that these documents be streamlined to further align with the new State Plan and add inclusive language to ensure equity.

There may also be additional handouts the day of the meeting to help guide this discussion.
