

Grants Submission Platform

Notice of Intent to Award

*Pending successful competition of the protest period

NAME: GrantVantage Inc

AMOUNT: \$13,500

QUALIFICATIONS: GrantVantage Inc. is a U.S. based company, headquartered in the Commonwealth of Virginia with offices in Arlington, Virginia and Redondo Beach, California. GrantVantage provides an end-to-end grants management solution for grant making organizations and grant-receiving organizations.

As a software as a service company that offers a grants management solution on the world-class Microsoft Dynamics 365 power platform and Azure web services, they partner with other technology companies to help customers extend and scale their solution with integrations to other applications, data migrations activities, and to build external portals. Using their partner-led implementation model allows their customers to take advantage of all offerings in the Microsoft ecosystem.
