

# **SSDAC Best Practices Platform Updates**

Presented by: Viviana Barnwell, Rick Wood  
and SCDD Staff

## **Background**

At the February 15, 2022, SSDAC meeting, the Committee participated in a survey to determine activity priorities. Results of the survey showed that the Committee's top priority was to develop a platform to share best practices.

# As of the last SSDAC meeting...

Co-Chairs and the SSDAC Workgroup worked with staff to:

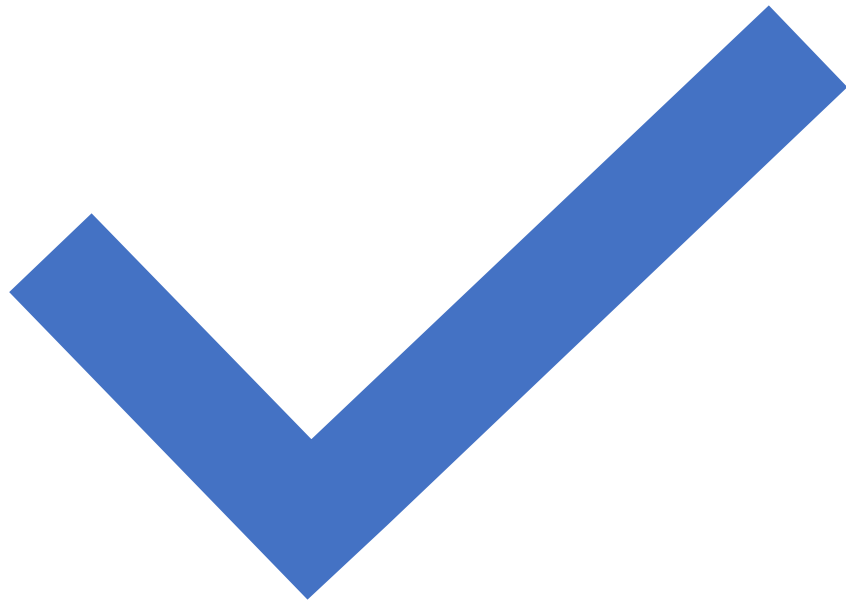

- Create a Best/Promising Practice Submission Form
- Develop a webpage to host the Best/Promising Practices
- Send out an announcement and solicit submissions
- Provide a demonstration of how to use the submission form

**Since the  
last  
meeting...**

The Best Practices Submission Form demonstration at the June SSDAC meeting produced good results.

- Received 21 best/promising practice submissions
  - 7 related to LVACs
  - 9 related to specific resources/trainings (Co-Chairs will follow up to review)
  - 4 recommended for deletion (incomplete/determined to not meet criteria)

Because so many submissions were related to LVACs, we have focused on developing that section of the platform first.

# Other Updates...

We are opening up submissions to the Best Practices Platform

- Self-advocates, family advocates and professionals with experience with the SDP are encouraged to submit their ideas
- We have created a PDF version of the Best Practices Submission Form (English and Spanish), available upon request (email [robin.maitino@scdd.ca.gov](mailto:robin.maitino@scdd.ca.gov))

Please continue to submit and encourage others to submit best/promising practices in the categories below

- Disparities
- Enrollment
- Financial Management Service (FMS)
- Independent Facilitators
- Individual Budgets
- Local Volunteer Advisory Committees (LVACs)
- Outreach
- Oversight
- Person Centered Planning
- Spending Plans
- Systemic Program Improvements
- Training and Education

**Questions?**
