## Kern Regional Center Self-Determination Local Advisory Committee Request for Proposals for Use of Self-Determination Implementation Funds

Funds in the amount of \$77,520.00 have been allocated by DDS to Kern Regional Center to support implementation of the Self-Determination Program ("SDP"). The LAC requests that any individual and/or organization interested in presenting a proposal to the LAC to assist SDP individuals and families in understanding the SDP, identifying independent facilitators and Fiscal Management Services, training to create a person-centered plan, budget and spending plan, and assisting and encouraging participants and families to transition to the SDP are invited to present a proposal to provide some or all of the services identified above.

DDS has identified the following priority areas for funding, including:

- Recruitment and training of independent facilitators;
- Joint training for participants, families, regional center, LAC members and others;
- Support or coaching in making the transition to SDP;
- Assistance with spending plan development;
- Orientation support;
- Collaborative groups/workshops to foster ongoing, shared learning and problem-solving opportunities.

In addition, the LAC has emphasized the need for services and SDP related written materials to be provided in Spanish as well as in English languages.

Enclosed is a rubric which identifies plans for training and support and the weight given to various aspects of a proposal. The suggestions are not inclusive. A proposal shall include the proposed cost for services provided.

All proposals must be received no later than <u>April 16, 2021 at 5:00p.m.</u>, and should be submitted electronically to Melanie Waters, KRC Dental Coordinator/SDP Liaison at <u>mwaters@kernrc.org</u>. Selection of proposals will be discussed and made at the next SDLAC meeting to be held in May 2021.
