

Far Northern Regional Center

Did you know?

Far Northern Regional Center has Long-Term Support (LTSS) Resources

LTSS are especially important after the parent or caregiver is no longer able to provide support. LTSS Personal Support Networks can help a person with Intellectual and Developmental Disabilities to lead a good life as independently as possible. See below on how to navigate to this important resource.

1. Open smart phone camera
2. Point camera to QR code
3. Touch yellow box

For more information:

1. Go to <https://www.farnorthernrc.org/>
2. Click on “For Clients”
3. Select “Long-Term Support Services Resources”

Contact your Service Coordinator for additional information.
