## **Supported Decision Making Technical Assistance Program (SDM-TAP) Grants and Contracts Addendum**

**April 2, 2024**

During the bidding and application process, it was determined that the project period for the SDM-TAP grants and contracts will be extended from 12 months to 18 months to allow more time for the implementation work to be completed. This changes the anticipated project end dates for all projects below from June 30, 2025, to December 31, 2025. Changes are highlighted in each document and are effective immediately.

Thank you.

Hannah Dunham, SDM-TAP Manager
