

APRIL NEWS

The State Council on Developmental Disabilities (SCDD) is established by state and federal law as an independent state agency to insure that people with developmental disabilities and their families receive the services and supports they need.

Agency Spotlight!

Have you heard of the **Iversen Wellness & Recovery Center** in Chico? This inclusive environment is peer led and agency supported. Under the umbrella of *Northern Valley Catholic Social Service*, this “stigma-free” space offers a variety of services, supports, and connections. To learn more, [visit here](#).

Master plan for Developmental Services

“A 21st century developmental services system must increase its ability to provide culturally responsive services and to strengthen the accountability and standardization of the system so that it is easier for individuals and their families to navigate no matter where they live in California.”
