The Department of Health and Human Services (HHS) Office for Civil Rights (OCR) has issued a final rule to advance equity and bolster protections for people with disabilities. The final rule, *Discrimination on the Basis of Disability in Health and Human Service Programs or Activities*, updates, modernizes, clarifies, and strengthens the implementing regulation for Section 504 of the Rehabilitation Act of 1973. Section 504 prohibits discrimination on the basis of disability in programs and activities that receive Federal financial assistance.
