

JULY NEWS

The State Council on Developmental Disabilities (SCDD) is established by state and federal law as an independent state agency to insure that people with developmental disabilities and their families receive the services and supports they need.

SCDD Offices will be closed on Thursday,
July 4, 2024.

- The Provider Directory is an online portal that will be used to input, store, and view information about all service providers in the state.
- The Provider Directory will centralize information about service providers that work with multiple regional centers, help to clarify the organizational structure within companies, maintain up-to-date contact information, and assist communication among DDS, regional centers, and service providers. The Provider Directory is an online portal that will be used to input, store, and view information about all service providers in the state.
- When fully developed, the Provider Directory will make it possible to determine where services are available and needed, track development of new resources and be searchable by self-advocates and families to identify service options in their community.
