

SCDD National Expansion of Employment Opportunities Network Community of Practice Webinar Series

[CLICK HERE TO REGISTER](#)

BACK BY POPULAR DEMAND! SCDD is excited to share our second community integrated employment Community of Practice (CoP 2.0) series. During NDEAM in October, national subject matter expert, Rick McAllister, will explore best practice in job development and individualized service provision. Please join the CA Supported Employment field of practice in an interactive learning environment where CIE supporters share ideas, challenges, and solutions.

See below for upcoming learning opportunities.
