

# Social Security Benefits for People with Disabilities

Everything you wanted to know.

Securing today  
and tomorrow

## A workshop from Social Security.

- Information about disability benefits and the disability application process.
- How to use **my Social Security** online account and other online services.
- What are Supplemental Security Income (SSI) Benefits and how do you qualify?
- What do you need to report when you receive SSI?
- What other Social Security programs are available, and who qualifies?

Learn how to use **my Social Security** online account and other online services. You should go to [www.socialsecurity.gov/myaccount](http://www.socialsecurity.gov/myaccount) to create a **my Social Security** account and print out your **Social Security Statement** before attending the workshop.
