Statewide Self-Determination Advisory Committee Meeting

DDS Updates **LVAC Funding – Committee Input Questions**

Question 1:

What training topics would be most helpful for:

- A. Participants and families
- B. Service providers, Independent Facilitators, Financial Management Services providers
- C. Regional center staff
- D. LVAC Members

Question 2

What are five important things they should learn in training?

Question 3

What resources or information are most important for people and families to find at a community resource fair?

Question 4

How can resource fairs better reach people and communities that have not traditionally participated in the Self-Determination Program?

Question 5

What should be included in every resource fair statewide and what should be left to local communities to decide?

Question 6

How should DDS measure whether community resource fairs are helping participants access services, make informed choices, and succeed in the Self-Determination Program?
