

SCDD Presents

Relationships Decoded: Relationship Education for People with Developmental Disabilities

with creator Dr. Katie Pedgrift

Relationships Decoded is a curriculum designed to teach people with developmental disabilities how to develop healthy and safe relationships while also giving them information about sexual abuse and coercion.

Relationships Decoded uses evidence-based practices and it is completely free to teachers, therapists, and other professionals.

Join **SCDD** and **Relationships Decoded** for this informative online session.

Monday, November 16, 2026 | 6:00 – 7:30 PM
